**Changing the Grade** Jonathan Cornue, 2018-01-18 Many educators agree that the 100 point grading model is  
not always a reliable way to evaluate student learning But is there another way to more accurately and equitably grade  
students and provide high quality information to parents while fostering student learning If so why haven't school districts  
across the country changed their practices In Changing the Grade author and educator Jonathan Cornue presents a detailed  
model for developing a more reliable standards based grading system including 30 steps to guide you through the process In  
addition to identifying and addressing the barriers to change such as concerns about how colleges and employers will  
interpret an alternative grading model Cornue offers a concrete structure for changing the grading system providing  
guidance on Thinking in a new way about why grades are given and the purpose of a report card grade Identifying what  
needs to be changed and what actions must be taken to facilitate the change Building a team of stakeholders including  
teachers principals and guidance counselors to lead the change process Developing the new standards based grading  
structure Designing standards based assignments and assessments that align with a new grading structure Avoiding grade  
inflation and Getting buy in from teachers and other staff members principals administrators the board of education and the  
community by demonstrating that the change process is intentional research based student focused and permanent The book  
also includes helpful samples of standards based gradebooks homework assignments rubrics and report cards If you are
