Coleman, 2007 The time is ripe for a robust discussion of human nature In Eden's Garden Rethinking Sin and Evil in an Era of Scientific Promise Richard Coleman examines the notion of sin in a contemporary world that values scientific and nonreligious modes of thought regarding human behavior This work is not an anti science polemic but rather an argument to show how sin and evil can make sense to the nonreligious mind and how it is valuable to make sense of such phenomena. The author reconceptualizes sin and evil as indelible pieces of our evolutionary history preventing them from being ostracized as too religious without substance mired in the past Coleman redeems theology for what it can offer to the understanding of sin and evil while embracing and respecting what science can offer to further the common good Examining themes in religion philosophy and theology it is ideal for use in the numerous courses that move across these disciplines The Living Church ,1981 Remember Creation Scott Hoezee, 1998 Why is it that many Christians find a theological scientific debate about creation's ancient origins far more engaging than a speech about how to live responsibly in the creation today Are we more fascinated by academic debates that focus our gaze on what happened long ago than by the hands on discussions that focus our gaze on the world of wonders outside our windows right now In Remember Creation Scott Hoezee challenges readers to make today s world more central to the Christian faith by enjoying and preserving God's cosmos as a part of daily discipleship Solidly grounded in a wealth of Scripture passages this book reveals God's ecology of praise which all Christians should want to explore and preserve Throughout the book Hoezee also offers suggestions to help congregations families and all Christians to take more delight in God's world while working to keep alive the wonders that bring God joy Scott Hoezee adds a refreshing new twist to the discussion on the environment Shouldn t we start by simply enjoying creation and honoring it for what it is With illustrations both biblical and personal Hoezee makes a compelling case Philip Yancey The Weevil Strategies Wesley Tillett, 2023-07-14 Whether we want it or not whether we believe it or not every one of us is engaged in a spiritual battle Evil is smart It doesn t come at us with temptations clearly labeled evil It quietly plays to our fears It slyly preys on our desires

Practice What You Preach David H. Maister,2012-12-11 In today s highly competitive realm of professional service firms the quest for individual stardom is at an all time high The temptation to rack up the most billable hours and out perform one s fellow advisers is often irresistible But it is also shortsighted and terribly counterproductive according to world renowned authority and acclaimed author David Maister In this groundbreaking book Maister issues a much needed wake up call to today s professional service firms Arguing that a far greater contribution to a firm s success can come from those who find fulfilment in seeing other s succeed rather than those who assume the role of most valuable player The author outlines and discusses in detail the nine key people issues upon which successfully managed and profitable organisations rely Supporting

his findings with a range of compelling data Maister demonstrates how and why firms that emphasise the highest standards of employee professionalism are invariably more financially successful than those that don t The Clay Pot Conspiracy Dave Harvey, 2025-09-01 Bestselling author Dave Harvey unlocks the power of God's extraordinary plan to use the weaknesses in the lives of Christian leaders to make the gospel shine **Crossroads of the Eternal** M. Brett Callaway, 2018-11-07 Not so long ago it was taken for granted that God exists Today there is a blindness to him even though he makes his presence known to all The book begins by showing how better to recognize his presence and understand how he reveals himself to us The next three chapters discuss how we move from an awareness of his presence to beginning to know him and through a knowledge of him begin to know what his purpose is for us and how our lives are shaped by that knowledge Having seen how he reveals himself to us and how we know the world and see the world through different eyes we then look at how to apply our new view in the face of a society that remains blind to this knowledge Chapters 5.7 explore truth first from the standpoint of its existence then in how to recognize its counterfeits and finally to understand the consequences of its loss Chapters 8 10 look at how and why being able to see God's hand in all aspects of life and to center life on him by faith in his son Jesus Christ completely changes life for the better Non Christians often hear this claim made by evangelists If they ask why too often the answer is in Christian speak that is foreign to them The intent is to bridge from the place where they are and explain how Christians have found peace in times of suffering even joy in the most horrific circumstances enabling them to give thanks in all things In a sense the book finishes where it started by looking at who we truly are what kind of world this is and how God has made all into his glorious plan Complete Works of C.S. Easley, 2024-01-24 In the late nineties Pastor Ernest Easley received difficult news from his doctor a throat cancer diagnosis This diagnosis would be enough to cause any individual to fear for one s life and to worry about whether or not tomorrow would be seen But for Pastor Easley this diagnosis though tragic would be an opportunity to learn to rest in the Sovereignty of God Now more than twenty years later the cancer is gone but the lingering effects of forty four radiation treatments have left him with a withering voice His doctors have said the damage that has been done may or may not ever heal He will be a preacher who cannot preach Yet we still find a man whose trust and reliance upon God has allowed him to know that even if he cannot speak or preach about God that does not mean that God has lost his sovereignty He is still Lord And even more so Pastor Easley has Scripture to remind him that he is not the first who has had to come to terms with God's sovereignty In Resting in God's Sovereignty readers will find not only the wisdom of a seasoned pastor who has learned the goodness that comes from trusting the Lord but they will also discover ten biblical figures who trusted in the Lord as well The Christian Century ,1960 **Religious Classics -**Boxed Set Johann Wolfgang von Goethe, Gustave Flaubert, Mark Twain, Henryk Sienkiewicz, Dante Alighieri, George MacDonald, Anatole France, Henry Van Dyke, Robert Hugh Benson, Arthur Christopher Benson, Leonid Andreyev, John Bunyan, Eden Phillpotts, Grace Livingston Hill, Voltaire, Paul Laurence Dunbar, Elizabeth Miller, Lew Wallace, John Milton, Charles M.
