What Every Seventh-Day Adventist Should Know About the Shepherd'S Rod Garrick D. Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd s Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd s Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd s Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod s message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd s Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism

The Battle for Your Heart Ronald W. Busby, I am encouraged by the author's appeal from the beginning to the end of his book for readers to be aware of their personal relationship with Christ Dr Busby shows throughout that God's prophecies and promises found fulfillment in a history I can check for myself That being true for the past I can also rest assured that what God has promised and predicted for the future will happen without fail in His own time and way Rhoda Wills Retired Teacher Dr Busby's The Battle for Your Heart is not only a good read but an excellent book to add to your library Whether you've studied the book of Revelation for many years or have never given it your personal study this thought provoking verse by verse walk through Revelation's 22 chapters includes not only details you may have missed in your earlier studies but adds a big picture dimension to this last book of the Bible I was blessed Judi Seeders Retired from Review and Herald Publishing Association A must read for every Adventist who is looking for the soon return of Jesus You will be challenged and will understand how to be prepared for the soon appearance of our Lord and Savior The Battle for Your Heart is an excellent study for any individual for family worship and small group study Gail V Lane Head Deaconess Retired Business Owner I am amazed by this book Ron Busby's use of the Bible and the Spirit of Prophecy is both informative and clear The Battle for Your Heart takes the reader through the books of Revelation Daniel and Ezekiel along with supportive information I not only gained greater insight into the raging controversy that surrounds us today but found throughout every page God's deep everlasting love for us shining through Larry Sharon Church Elder

Revelation in the Song of Songs Vola Masoandro Andrianarijaona, 2025-01-29 Song of Songs or Shir Hashirim is a very special book of the Bible for many reasons For example it is the most metaphorical opening the door to many different interpretations that do not oppose each other It is also one of the books that does not contain any of God's names at least in the most used versions of the Bible It holds quite a few Guinness Bible Records in terms of word occurrences and word first appearance In light of this Song of Songs should be fascinating but most studies of it have followed a narrow and limited path The book has often been seen as primarily a story about a woman and a man deeply in love And it certainly contains that aspect in striking detail Some parents would not dare read it aloud in front of their children Sermons based on verses from Song of Songs are almost always linked to marital relationships or something similar But is that all this book is about Certainly not In fact the Son of God used a connotation found only in Song of Songs in the last prophecy he gave on his way to Calvary The study of Song of Songs alongside the book of Daniel and Revelation hints of prophetic aspects For example Song of Songs describes in detail the seven churches of Revelation It also alludes to the two statues of the book of Daniel And the four beasts Yes they have their allegories there as well God's laws Of course Even the sealing of God's people was not left out Country living There is no way to miss it The Great Controversy and how it ends this is perhaps the greatest message of the book

MDiv,2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don t think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God s statutes and commandments Deuteronomy 6 4 8 and Isaiah 54 13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28 16 20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner A Normal Class Manual for Sabbath-school Workers United Presbyterian Church of North America. Permanent Committee on Sabbath Schools,1881 **Spes Christiana 2020-02** Reinder Bruinsma,2021-01-12 Spes Christiana is the journal of the European Adventist Society of Theology and Religious Studies EASTRS It contains articles from all subdisciplines of theology Biblical Studies Church History Systematic Theology Practical Theology and Mission Studies as well as auxiliary disciplines Major fields and themes of publication include all that are either related to Adventism in Europe or researched by European Adventist scholars *Christian Politics in Oceania* Matt Tomlinson,Debra L. McDougall,2013 The phrase Christian politics evokes two meanings political relations between denominations in one direction and the contributions of Christian churches to debates about the governing of society The contributors to this volume address Christian politics in both senses and argue

that Christianity is always and inevitably political in the Pacific Islands Drawing on ethnographic and historical research in Papua New Guinea Solomon Islands Vanuatu and Fiji the authors argue that Christianity and politics have redefined each other in much of Oceania in ways that make the two categories inseparable at any level of analysis The individual chapters vividly illuminate the ways in which Christian politics operate across a wide scale from interpersonal relations to national and global interconnections **The Bible-teacher's Guide; Or, Methods of Work in the Sabbath- School** James Avery

Worden,1892 Virtuous Woman Clifford Chaukura,2015-12-15 What constitutes a virtuous woman How does one find virtue and over what period of time This book contains insightful chapters emphasising this attribute of virtue which every woman should seek more than anything else in life While there are many books on the market with countless suggestions on how to be a virtuous person this book stands apart in showing proven pathways of virtue which many successful women trod through without any regrets It is my hope that those who go through the pages of this book with a heart filled with earnest zeal to be a virtuous woman will definitely receive rich rewards in that regard *The Illustrative Lesson Notes* ,1890

The Christian Advocate ,1905 God's Love Language Waldon Wright,2014-04-09 God s Love Language is an easy to read comprehensive inspirational and thought provoking non fictional redemptive and life saving presentation on a subject that has eternal consequences for individuals the family society and our world This researched work gives a clear and direct answer to the question What is God s Love Language In doing so it compares and contrasts God s Love Language with human love language against the backdrop of love love language kinds of love language and communication of love This work also shows that God has a keen interest in building a saving and eternal relationship with human beings that is second to none While God s Love Language outlines the outstanding benefits to persons who have used it are using it and will use it in the future it also presents consequences to those who knowingly refuse to use and endorse it God s Love Language also provides an inclusive list of persons who have used it This list includes the rich poor educated uneducated as well as villains whose lives have been transformed permanently for good By including users of various backgrounds and diverse experiences it sets out to show that your life can be changed for the better that your past does not have to define your future and your past sins or crimes need not imprison you to a life of doom and gloom Then as if in answer to your unspoken question it gives the reason for this seemingly humanly impossible transformation as the beings who are at the centre of God s Love Language Then it concludes by providing you with a priceless opportunity to make a response in favour of God s Love Language Take this enviable rewarding journey through this book As you become thrilled by the gripping plots scenes and life changing stories along this seven chapter experience you will conclude that while human love language is good God s Love language is a far more excellent way Then encourage others to take the same journey as you did and endorse God s Love Language

A Doctor in the House Candy Carson, 2016-01-05 The life of a neurosurgeon isn t an easy one and Ben has been required to go above and beyond the call of duty almost constantly The life of a neurosurgeon s wife isn t much easier But it s all been worth it Together we ve been through poverty tragedy wealth and joy and we ve had each other s backs I love that guy CANDY CARSON Like most Americans you might think of Ben Carson as a trailblazing brain surgeon and in the last few years as an outspoken commentator on national issues But his wife of more than forty years knows him as so much more a loving husband a devoted father a devout Christian a committed philanthropist and a fierce patriot Now Candy Carson introduces us to the private side of a very public figure as she shares the inspiring story of their marriage and their family Like her husband Candy grew up in Detroit one of five children of a teacher and a factory worker Also like Ben she overcame her humble background through determination hard work and perseverance earning a scholarship to attend Yale University In that strange new world she focused on her studies her music and her deepening spiritual life She attended church with a handsome older student who liked to tease her but never assumed he would be anything more than a friend to her But Ben and Candy quickly became inseparable and they married soon after she graduated with Ben still in medical school preparing for his career as a soon to be world famous pediatric neurosurgeon In *A Doctor in the House* Candy reveals many stories that have never been told before despite the media spotlight on Dr Carson in recent years She shows us what it was like when they moved to Baltimore to join the community centered around Johns Hopkins Hospital She describes how their family evolved with the births of their three sons and the tragic miscarriage of their twins She talks about the challenges of Ben s twelve to twenty hour workdays saving thousands of lives every year while Candy ran the household She also addresses the prejudice they sometimes faced as African Americans and how Ben s calm levelheaded approach made him a great problem solver at home and in their travels just as he was in the operating room Above all she reveals her husband s consistency as a believer in God in family and in America Having lived the American Dream Ben believes every child from every background is capable of achieving it That s why he and Candy have been committed to educating and inspiring young people and over the past twenty years have awarded more than 6 700 students with scholarships through their Carson Scholars Fund *A Doctor in the House* is a classic American love story and that story is far from over As Candy writes We don t know what God has for us next but we re ready to follow As we head forward into the unknown once more I thank God for putting us together
