The Fireside annual [afterw.] pictorial annual [formerly Our own fireside] conducted by C. Bullock Fireside pictorial annual, 1878 **The Riddle of Christian Mystical Experience** Paul Mommaers, 2003 A distinctive feature of mystical experience is that it is imageless Mystics of various traditions witness indeed to their going beyond all intermediaries so as to enjoy immediate union Understandably the idea of imageless immediacy is attractive and it is especially in vogue with those who hope to discover that different religious spiritualities converge if only the particularity of say the Christian way would be left behind However a crucial question arises here If mystical union consists in simply transcending what is part and parcel of the human condition where is its relevance Is the mystic as such in a position to be his or her human self thinking and loving enjoying and suffering Can he or she be active in the world of humankind Obviously it is especially in the Christian tradition that this matter comes to the fore as a radical difficulty For here there is the divine Image and Mediator so much so that the Humanity of Jesus ought to be integral to a person s union with God Perhaps the Christian mystic is such an extraordinary figure that the Humanity and all other images and intermediaries are for him or her at best a stepping stone that is bound to disappear The Riddle of Christian Mystical Experience aims to clarify this issue by analyzing the writings of such visionaries as Julian of Norwich Teresa of Avila and Maria Petyt of the ecstasy minded masters Richard of Saint Victor Bernard of Clairvaux and Bonaventure describing Francis of Assisi s experience of the cream of the Flemish mystics namely Hadewijch and Jan van Ruusbroec Nevertheless the preference for the mystical text does not prevent the Riddle from drawing on the insights of modern philosophers such as Jean Paul Sartre and Jean Luc Marion when treating of images and idols or Michael Polanyi and Ludwig Wittgenstein when reflecting on intermediaries The main result of this procedure may come as a surprise Far from turning into a detached creature who forgets about the Humanity and the human the full fledged mystic is as a Flemish mystic puts it wholly in God where he rests in enjoyment and wholly in himself where he loves with works Experiencing union with intermediary and without intermediary the true Christian mystic is unimaged as well as imaged upon the humanity of our Lord through heartfelt affection **The Mapping of Markesh** Paul Tonks, 2005 The Ajya

Routledge Library Editions: Joseph Conrad Various, 2021-09-30 Joseph Conrad 1857-1924 is widely considered one of the great modern writers in English literature. This 21-volume set contains titles originally published between 1976 and 1990 as well as a biography from 1957 written by one of his closest friends. The first 18 books are a set of concordances and indexes to Conrad's printed works which were part of a project directed by Todd K. Bender at the University of Wisconsin-Madison, USA, and are among the first attempts to use the power of computers to enhance our reading environment and assist in lexicography, scholarly editing, and literary analysis. The set also contains a meticulously compiled bibliography of writings on Joseph Conrad as well as an original and powerful analysis of his major work.

Renaissance Acting Editions: The First Part of Henry the Fourth, with the Life and Death of HENRY Sirnamed HOT-SPURRE [King Henry IV, Part 1] William Shakespeare, 2013-12-17 Shakespeare's actors did not receive a copy of the entire script but instead worked from cue scripts or part scripts which contained only the lines and cues for a single character. The Renaissance Acting Editions provide cue scripts for those who wish to experiment with the early modern acting process. Each play in the series consists of a set of cue scripts and an unabridged prompt script in modern font, edited and prepared from William Shakespeare's First Folio of 1623. A plot, a running list of entrances, exits, and major stage business, and instructions for assembling a cue script roll are also included. These editions are not direct transcriptions of the First Folio texts. Original spelling, punctuation, and verse lineation have been retained throughout, but minimal revision has been done, e.g., correction of missing entrances and exits, restoration of simultaneous dialogue, etc., to make the scripts more user-friendly.
