 Subject: Model Plane and Robot Exhibition

Hi Dianna,
 Do you know there's an exhibition on model planes and robots this weekend at the community hall? Some interesting models will be on display. Workshops will also be held for those interested in starting this hobby. Do you think your brother would be interested? I heard there'll be some hands-on sessions where those who are interested can watch or even fix the models themselves. Facilitators will be on hand to assist the participants, especially those who are trying it out for the first time. I plan to go on Saturday morning. Let me know if you are interested and we can go together.

You: Well, have you tried finding out online? Do you know that the Internet has a lot of useful information and advice? All you have to do is type in the keywords and Google will provide you with everything you need to know.

Friend: I guess I'll have to do my own research. Can you tell me how to go about it?

You: There are so many websites you can visit. Even on YouTube, there are step-by-step procedures for beginners that you can follow.
