Northern Lights Donald E. Abelson,2016-11-01 Think tanks are often thought of as a uniquely US phenomenon Although the largest concentration of think tanks is in the United States they can be found in virtually every country Often overlooked Canada s think tanks represent a highly diverse and eclectic group of public policy organizations such as the Canadian Centre for Policy Alternatives the C D Howe Institute the Fraser Institute and the Mowat Centre among others In Northern Lights Donald Abelson explores the rise of think tanks in Canada and addresses many of the most commonly asked questions about how and under what circumstances they are able to affect public opinion and public policy He identifies the ways in which Canadian think tanks often prioritize political advocacy over policy research and seeks to explain why these organizations are well suited and equipped to shape the discourse around key policy issues The first comprehensive examination of think tanks in Canada Northern Lights is both a primer for those looking to understand the role and function of think tanks in the policy making process and a guide to the leading policy institutes in the country

justice The private sector has become an increasingly important partner in contemporary criminal justice with the unprecedented growth of public sector outsourcing arrangements This has resulted in an increasingly pluralised and marketised landscape of contemporary criminal justice This edited collection examines these developments in different jurisdictions as well as in a wide range of criminal justice contexts and sectors including the private security sector policing prisons probation and community sanctions and electronic monitoring In so doing it addresses fundamental normative ideological and ethical debates about the role of the private sector within this new and evolving landscape as well as descriptive and analytical questions about how criminal justice structures agencies and processes function and with what effect The Private Sector and Criminal Justice is essential reading for scholars and students of criminology penology policing security criminal justice and organisational and management studies It is also an invaluable resource for criminal justice practitioners

Japan Keiko Hirata, Mark Warschauer, 2014-06-24 Following a crushing defeat in World War II Japan rose like a phoenix from the literal ashes to become a model of modernity and success for decades Asia's premier economic giant Yet it remains a nation hobbled by rigid gender roles protectionist policies and a defensive inflexible corporate system that has helped bring about political and economic stagnation The unique social cohesion that enabled Japan to cope with adversity and develop swiftly has also encouraged isolationism given rise to an arrogant and inflexible bureaucracy and prevented the country from addressing difficult issues Its culture of hard work in fact overwork is legendary but a declining population and restrictions on opportunity threaten the nation's future Keiko Hirata and Mark Warschauer have combined thoroughly researched deep analysis with engaging anecdotal material in this enlightening portrait of modern day Japan creating an honest and accessible critique that addresses issues from the economy and politics to immigration education and the increasing alienation of Japanese youth
