New Japanese Voice The Best Contemporary Fiction From Japan:

Translation and the Borders of Contemporary Japanese Literature Victoria Young, 2024-06-03 This book examines contemporary debates on such concepts as national literature world literature and the relationship each of these to translation from the perspective of modern Japanese fiction By reading between the gaps and revealing tensions and blind spots in the image that Japanese literature presents to the world the author brings together a series of essays and works of fiction that are normally kept separate in distinct subgenres such as Okinawan literature zainichi literature written by ethnic Koreans and other trans border works The act of translation is reimagined in figurative expanded and even disruptive ways with a focus on marginal spaces and trans border movements The result decentres the common image of Japanese literature while creating connections to wider questions of multilingualism decolonisation historical revisionism and trauma that are so central to contemporary literary studies This book will be of interest to all those who study modern Japan and Japanese literature as well as those working in the wider field of translation studies as it subjects the concept of world literature to searching analysis

The Woman's Hand Paul Gordon Schalow, Janet A. Walker, 1996 This volume has a dual purpose It aims to define the state of Japanese literary studies in the field of women's writing and to present cross cultural interpretations of Japanese material of relevance to contemporary work in gender studies and comparative literature

Visions of Precarity in Japanese Popular Culture and Literature Kristina Iwata-Weickgenannt, Roman Rosenbaum, 2014-11-27 Recent natural as well as man made cataclysmic events have dramatically changed the status quo of contemporary Japanese society and following the Asia Pacific war's never ending postwar period Japan has been dramatically forced into a zeitgeist of saigo or post disaster This radically new worldview has significantly altered the socio political as well as literary perception of one of the world's potential superpowers and in this book the contributors closely examine how Japan's new paradigm of precarious existence is expressed through a variety of pop cultural as well as literary media Addressing the transition from post war to

post disaster literature this book examines the rise of precarity consciousness in Japanese socio cultural discourse The chapters investigate the extent to which we can talk about the emergence of a new literary paradigm of precarity in the world of Japanese popular culture Through careful examination of a variety of contemporary texts ranging from literature manga anime television drama and film this study offers an interpretation of the many dissonant voices in Japanese society The contributors also outline the related social issues in Japanese society and culture providing a comprehensive overview of the global trends that link Japan with the rest of the world Visions of Precarity in Japanese Popular Culture and Literature will be of great interest to students and scholars of contemporary Japan Japanese culture and society popular culture and social and cultural history Music in Modern Japanese and Hebrew Literatures Shirah Malka Cohen,2025-05-06 Music in Modern Japanese and Hebrew Literatures examines the place of classical music in early 20th century Japanese and Hebrew literatures As this book shows both Japanese and Hebrew writers of the period made use of Western classical music in their novels and short stories in order to explore issues of belonging cultural and literary identity and artistic integrity Hence by analysing the appearance of such music in the writing of Japanese writers such as Nagai Kaf Shiga Naoya and Uchida Hyakken and Hebrew writers such as Leah Goldberg Gershon Shofman and Yaakov Horowitz this book sets an intriguing narrative of writers interaction with a modernizing world and their struggles to make sense of multitudes of cultural influences Through such struggles these Japanese and Hebrew writers created unique visions of literature that constitute this book argues a cosmopolitan literary sphere In looking into these matters this book aims to recontextualize the place of Japanese and Hebrew literatures of the early 20th century in relation to each other as well as European culture and to create a new and exciting approach to the study of World Literature *The Columbia Anthology of Modern Japanese Literature* J. Thomas Rimer,2007-04-24 In Volume 2 of Columbia s comprehensive anthology of modern Japanese literature thoughtfully selected and carefully translated readings portray the vast changes that have transformed Japanese culture since the end of the Pacific War Beginning with the Allied Occupation in 1945 and concluding with the early twenty first century these stories poems plays and essays reflect Japan s heady transition from poverty to prosperity its struggle with conflicting ideologies and political beliefs and the growing influence of popular culture on the country s artistic and intellectual traditions Organized chronologically and by genre within each period readings include fiction by Hayashi Fumiko and Oe Kenzaburo poems by Ayukawa Nobuo Katsura Nobuko and Saito Fumi plays by Mishima Yukio and Shimizu Kunio and a number of essays among them Eto Jun on Natsume Soseki and his brilliant novel Kokoro The Heart of Things and Kawabata Yasunari on the shape of his literary career and the enduring influence of classical Japanese literature Some authors train a keen eye on the contemporary world while others address the historical past and its relationship to modern culture Some adopt an even broader scope and turn to European models for inspiration while others look inward exploring psychological and sexual terrain in new often daring ways Spanning almost six decades this anthology provides a thorough introduction to a profound

period of creative activity Popular Culture, Globalization and Japan Matthew Allen, Rumi Sakamoto, 2007-01-24 Japanese popular culture is constantly evolving in the face of internal and external influence Popular Culture Globalization and Japan examines this evolution from a new and challenging perspective by focusing on the movements of popular culture into and out of Japan Taking a multidisciplinary approach the book argues that a key factor behind the changing nature of Japanese popular culture lies in its engagement with globalization Essays from a team of leading international scholars illustrate this crucial interaction between the flows of Japanese popular culture and the constant development of globalization Drawing on rich empirical content this book looks at Japanese popular culture as it traverses international borders flowing out through such forms as manga consumption in New Zealand and flowing in through such forms as foreigners writing about Japan in Japanese and how American influences affected the formation of Japan's gay identity Presenting current confronting and sometimes controversial insights into the many forms of Japanese popular culture emerging within this global context Popular Culture Globalization and Japan will make essential reading for those working in Japanese studies cultural studies and international relations **The Power of Memory in Modern Japan** Sven Saaler, Wolfgang Schwentker, 2008-06-26 Due to their symbolic and iconographic meanings expressions of collective memory constitute the mental topography of a society and make a powerful contribution to its cultural political and social identity In Japan the subject of memory has prompted a huge response in recent years Indeed it has been and continues to be debated at many levels of Japan's political social economic and cultural life For the historian and social scientist the opportunity to access recorded memories is invariably welcomed as a valuable building block in research and a determinant in establishing balance and perspective This volume brings together a selection of the most significant research on memory relating to modern Japan Thematically structured Politics and International Relations Memorials Museums National Heroes Popular and Intellectual Representations of Memory Realms of Memory Centre and Periphery the subjects treated include the Nanjing massacre comfort women the fate of war monuments the political use of national memory in post war Japan and remembering the atomic bomb **Contemporary Directions in Asian American Dance** Yutian Wong, 2016-05-11 Original essays and interviews by artists and scholars who are making defining questioning and theorizing Asian American dance in all its variety **Into the Fantastical Spaces of Contemporary Japanese Literature** Mina Qiao, 2022-03-14 Murakami Haruki Ogawa Yoko Tawada Yoko Kanai Mieko Hino Keizo Murakami Ryu Kawakami Hiromi Murata Sayaka These acclaimed authors are united by a shared fascination with fantastical conceptions of space In highlighting these luminaries of contemporary Japanese literature Into the Fantastical Spaces of Contemporary Japanese Literature examines the role of extramundane topos from an interdisciplinary approach As writers navigate fantastical spaces in resistance to the logic of everyday life they are able to challenge the dualistic norms on the body and mind that typify modern Japanese life These studies demonstrate the essential role played by fantastical spaces in the development of modern Japanese literature to the present day Scholars

Women's Voices in Manga Hiromi Tsuchiya Dollase, Masami Toku, 2025-02-18 *Women's Voices in Manga* investigates how manga reflect women's gender issues and social problems within the context of Japanese history, culture, and society. Manga illuminate how women have been treated stereotypically and confined to their gender roles. Fictional characters surrogates for both creators and readers have continuously challenged and subverted fixed cultural images, notions, and expressions of women. The first section of the book features research articles on the depiction of women in manga. Contributions of chapters come from scholars in diverse fields including manga studies, history, art, education, literary studies, and gender studies. The second section presents the life stories of prominent women artists: Watanabe Masako (b. 1929), Mizuno Hideko (b. 1939), and Satonaka Machiko (b. 1948), capturing their voices and social messages through interviews. Finally, the third section introduces a translated manga, *A Young Woman Emperor in Waiting*, created by Satonaka Machiko, which features one of the six Japanese female Emperors in history, Kōken Tennō, later Shōtoku Tennō of the 8th century. *Women's Voices in Manga* showcases women's issues, portrayals, and lives. The book underscores manga's cultural function to disseminate expressions of women's issues across society, inviting readers to relate these issues to their own lives. **Historical**

Dictionary of Modern Japanese Literature and Theater J. Scott Miller, 2021-06-05 With the Meiji Restoration in 1868, Japan opened its doors to the West and underwent remarkable changes as it sought to become a modern nation. Accompanying the political changes that Western trade ushered in were widespread social and cultural changes. Newspapers, novels, poems, and plays from the Western world were soon adapted and translated into Japanese. The combination of the rich storytelling tradition of Japan with the realism and modernism of the West produced some of the greatest literature of the modern age. *Historical Dictionary of Modern Japanese Literature and Theater*, Second Edition, contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 500 cross-referenced entries, authors, literary and historical developments, trends, genres, and concepts that played a central role in the evolution of modern Japanese literature. **Mapping Tokyo in Fiction and Film** Barbara E. Thornbury, 2020-01-30 *Mapping Tokyo in Fiction and Film* explores ways that late 20th and early 21st century fiction and film from Japan literally and figuratively map Tokyo. The four dozen novels, stories, and films discussed here describe, define, and reflect on Tokyo urban space. They are part of the flow of Japanese language texts being translated or, in the case of film, subtitled into English. Circulation in professionally translated and subtitled English language versions helps ensure accessibility to the primarily anglophone readers of this study and helps validate inclusion in lists of world literature and film. Tokyo's well-established culture of mapping signifies much more than a profound attachment to place or an affinity for maps as artifacts. It is importantly a counter-response to feelings of insecurity and disconnection insofar as the mapping process helps impart a sense of predictability, stability, and placeness in the real and imagined city. **Patterns of Time** Donald Kirihaara, 1992 Donald Kirihaara examines in

extraordinary detail the brilliant early works of one of the world's great film directors offering an in depth analysis of his career Kiriha's exploration of Mizoguchi within his national and cultural context marks a new step forward in the integration of film theory historical research and auteur criticism Handbook of Modern and Contemporary Japanese Women Writers Rebecca Copeland, 2025-10-01 The Handbook of Modern and Contemporary Japanese Women Writers offers a comprehensive overview of women writers in Japan from the late 19th century to the early 21st Featuring 24 newly written contributions from scholars in the field representing expertise from North America Europe Japan and Australia the Handbook introduces and analyzes works by modern and contemporary women writers that coalesce loosely around common themes tropes and genres Putting writers from different generations in conversation with one another reveals the diverse ways they have responded to similar subjects Whereas women writers may have shared concerns the pressure to conform to gendered expectation the tension between family responsibility and individual interests the quest for self affirmation each writer invents her own approach As readers will see we have writers who turn to memoir and autobiography while others prefer to imagine fabulous fictional worlds Some engage with the literary classics whether Japanese Chinese or European and invest their works with rich intertextual allusions Other writers grapple with colonialism militarism nationalism and industrialization This Handbook builds a foundation which invites readers to launch their own investigations into women's writing in Japan Satō Haruo and Modern Japanese Literature Charles Exley, 2016-01-19 In Sat Haruo and Modern Japanese Literature Charles Exley offers the first comprehensive examination of Sat's literary oeuvre from the 1910s through the 1930s The study examines the ways in which selected novels and short stories interact with cultural discourses of the time including the fantastic the discourse on melancholy and mental illness detective fiction and early film colonial encounter and critique of civilization and hysteria and psychoanalysis Exley's alignment of Sat's fictional work with its cultural and historical context illustrates the complex ways in which Sat's aesthetic projections derived from and comment on Japan's experience with modernization during the twentieth century
