A Popular Survey of the New Testament Norman L. Geisler, 2014-09-09 Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paper this survey addresses the who what where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and

New Testament survey Merrill Chapin Tenney, 1985

New Testament Survey Walter M. Dunnnett, 1963

A Brief New Testament Survey on the Life of Jesus Christ Dr. John Thomas Wylie, 2016-02-22 I recently published my seventh title and the Lord compelled me to press on toward the mark. I realize much could be said of Jesus Christ and that would not be enough. If it were possible, one might pen as much as the number of hairs on one's head or the number of stars in the heavenly skies, but that's not enough said about Christ. If I could pen the sum total grains of the sand in the desert, that would not be enough. That's not enough to express the awesome nature of Jesus Christ. It would be impossible to begin to scratch reality's surface. What I do know is that a man can begin somewhere and express his views concerning the Master. So I conclude this and begin my topic on **A Brief New Testament Survey on the Life of Jesus Christ**. Thus, grace unto God, our Father, who provides for all according to his glory and the making of this eighth title, **A Brief New Testament Survey on the Life of Jesus Christ**. This publication is a brief survey and not an expository study on the life of Jesus Christ and teachings of Christ. The content of the publication is intended to give a more accurate account according to the Gospel of Luke and other scriptures to strengthen the young reader's confidence in what the gospel will tell about Christ. Although every episode of Jesus Christ is not covered, that is not this book's intent. The intent is to give many young people and first-time readers a starting point. Christ wards.

Reverend Dr. John Thomas Wylie

Breakouts with illustrative quotes from ancient nonbiblical literature. Discussion questions on the contemporary relevance of the New Testament. Updated bibliographies.
