*New York to Dallas [CD]* J. D. Robb, 2011      *New York to Dallas* J. D. Robb, 2012-03-06 1 New York Times bestselling author J D Robb presents an intense and terrifying case for New York homicide cop Eve Dallas one that will take her all the way to the city that named her and plunge her into the nightmares of her childhood When a monster named Isaac McQueen taken down by Eve back in her uniform days escapes from Rikers he has two things in mind One is to take up where he left off abducting young victims and leaving them scarred in both mind and body The other is to get revenge on the woman who stopped him all those years ago      **Jail Inmates** , Contains data from Annual survey of jails every five year title varies and contains detailed local jail information from Census of jails      **Prison and Jail Inmates** , 1982      **Reclaiming History** Vincent Bugliosi, 2007-05-17 For fifty years the truth about the assassination of President John F Kennedy has been obscured This book releases us from a crippling distortion of American history At 1 00 p m on November 22 1963 President John F Kennedy was pronounced dead the victim of a sniper attack during his motorcade through Dallas That may be the only fact generally agreed upon in the vast literature spawned by the assassination National polls reveal that an overwhelming majority of Americans 75% believe that there was a high level conspiracy behind Lee Harvey Oswald Many even believe that Oswald was entirely innocent In this continuously absorbing powerful ground breaking book Vincent Bugliosi shows how we have come to believe such lies about an event that changed the course of history The brilliant prosecutor of Charles Manson and the man who forged an iron clad case of circumstantial guilt around O J Simpson in his best selling Outrage Bugliosi is perhaps the only man in America capable of writing the definitive book on the Kennedy assassination This is an achievement that has for years seemed beyond reach No one imagined that such a book would ever be written a single volume that once and for all resolves beyond any reasonable doubt every lingering question as to what happened in Dallas and who was responsible There have been hundreds of books about the assassination but there has never been a book that covers the entire case including addressing every piece of evidence and each and every conspiracy theory and the facts or alleged facts on which they are based In this monumental work the author has raised scholarship on the assassination to a new and final level one that far surpasses all other books on the subject It adds resonance depth and closure to the admirable work of the Warren Commission Reclaiming History is a narrative compendium of fact forensic evidence reexamination of key witnesses and common sense Every detail and nuance is accounted for every conspiracy theory revealed as a fraud on the American public Bugliosi s irresistible logic command of the evidence and ability to draw startling inferences shed fresh light on this American nightmare At last it all makes sense      **International Record of Medicine and General Practice Clinics** Frank Pierce Foster, 1901      *Printing* , 1929      *Vital Statistics of the United States* , 1965      *Hartmann's Who's who in Occult, Psychic and Spiritual Realms...in the United States and Foreign Countries* , 1927      **The Commercial and Financial Chronicle** , 1907
