New Intake 2015 Divine Word University:

Creating Gender in the Garden Barbara Deutschmann, 2022-02-24 Winner of the 2023 ANZATS Award for the Best Monograph by an Emerging Scholar What can explain the persistence of gender inequality throughout history Do narratives such as the Eden story explain that dissymmetry or contribute to it This book suggests that the Hebrew Bible began and has sustained a rich conversation about sex and gender throughout its life A literary study of the Garden of Eden story reveals a focus on the human partnership as integral to the divine creation project Texts from other Hebrew Bible genres build a picture of robust and flexible partnerships within a patriarchal framework In popular culture Eve still carries the stench of guilt while Adam seemingly unscathed by Eden events remains a positive symbol of manhood This book helps explain why they have had such different histories The book also charts the subversive alternate streams of interpretation of women s writings and rabbinic texts The story of Adam and Eve demonstrates how conceptions of gender in both ancient and modern worlds reflect larger philosophical schemes Far from existing as timeless verities female and male relations are constructed according to cultural imperatives of the day Understanding the different ways that Adam and Eve have been conceived gives us perspective on our own twenty first century gender architecture Textbook of Palliative Care Communication Elaine Wittenberg PhD, Betty R. Ferrell RN, PhD, MA, FAAN, FPCN, CHPN, Joy Goldsmith PhD, Thomas Smith MD, Sandra Ragan MD, Myra Glajchen, The Rev. George Handzo, 2015-10-23 The Textbook of Palliative Care Communication is the authoritative text on communication in palliative care providing a compilation of international and interdisciplinary perspectives The volume was uniquely developed by an interdisciplinary editorial team to address an array of providers including physicians nurses social workers and chaplains and unites clinicians with academic researchers interested in the study of communication By featuring practical conversation and curriculum tools stemming from research this text integrates scholarship and inquiry into translatable content that others can use to improve their practice teach skills to others and engage in patient centered communication The volume begins by defining communication explicating debatable issues in research and highlighting specific approaches to studying communication in a palliative care context Chapters focus on health literacy and cultural communication patient and family communication barriers and approaches to discussing palliative care with specific patient populations discussing pain life support advance care planning and quality of life topics such as sexuality spirituality hope and grief Team communication in various care settings is outlined and current research and education for healthcare professionals are summarized Unique to this volume are chapters on conducting communication research both qualitatively and quantitatively to promote further research in palliative care **Agents of Empire** Noel Malcolm, 2015-08-06 In the late sixteenth century a prominent Albanian named Antonio Bruni composed a revealing document about his home country Historian Sir Noel Malcolm takes this document as a point of departure to explore the lives of the entire Bruni family whose members included an archbishop of the Balkans the captain of the papal flagship at the

Battle of Lepanto at which the Ottomans were turned back in the Eastern Mediterranean in 1571 and a highly placed interpreter in Istanbul formerly Constantinople the capital of the Eastern Roman Empire that fell to the Turks in 1453 The taking of Constantinople had profoundly altered the map of the Mediterranean By the time of Brunis document Albania largely a Venetian province from 1405 onward had been absorbed into the Ottoman Empire Even under the Ottomans however this was a world marked by the ferment of the Italian Renaissance In *Agents of Empire* Malcolm uses the collective biography of the Brunis to paint a fascinating and intimate picture of Albania at a moment when it represented the frontier between empires cultures and religions The lives of the polylingual cosmopolitan Brunis shed new light on the interrelations between the Ottoman and Christian worlds characterized by both conflict and complex interdependence The result of years of archival detective work *Agents of Empire* brings to life a vibrant moment in European and Ottoman history challenging our assumptions about their supposed differences Malcolm s book guides us through the exchanges between East and West Venetians and the Ottomans and tells a story of worlds colliding with and transforming one another

Anti-Apollinarian Writings St. Gregory of Nyssa, 2015-12-08 The translation is interweaved with a commentary to provide the reader with some guidance through the complexities of Gregory s arguments The introduction includes an overview of the history of Apollinarianism and discusses the extent to which it is possible to reconstruct from the fragments quoted by Gregory the arguments of Apolinarius s Apodeixis to which he is responding It also examines the background to and the chronology of both of Gregory s anti Apollinarian works and looks critically at the arguments that they deploy
