When God Speaks Fran Myers,2022-04-07 Listening to the voice of God directs us toward a life of joy contentment and trust in God in all circumstances God is always with us When we take the time to pray listen to reflect to block out the noise of the world we can experience God s presence Through the pages of this book you will come to

understand the many ways that God speaks to all of us As we open our minds and hearts cultivate the time to be aware and listen and develop our prayer journey we draw closer to the heart of God The author highlights stories from various people who in their ordinary lives discerned His voice and His love for them Sometimes God s voice was audible other times it was through Scripture or a divine revelation No matter what form God chose to communicate it was every bit as meaningful One person shares how he listened to God s voice through divine intervention guiding him to make a life changing decision for his family Another heard the voice of God through a series of events as she visited patients in hospitals and nursing homes Still another meets God through the beauty of nature God spoke to the saints and prophets of the past and He continues to speak to us today Not all voices are from God It is important to discern that which brings peace and that which divides and causes unrest When God Speaks is a series of uplifting and personal stories that will help the reader to discern the difference The author s hope is that you will recall similar occurrences of unexplainable joy in your own lives or a strong passion calling you to service This book can be used by small faith groups in churches and by book clubs It would appeal to youth groups senior groups Cursillo or Emmaus groups pastors and those wanting to deepen their prayerful relationship with God
