New Syllabus Mathematics Textbook 3 Teh Keng Seng, Loh Cheng Yee, 2007-01-01 New Syllabus Mathematics is a series of four books. These books follow the Mathematics Syllabus for Secondary Schools implemented from 2007 by the Ministry of Education Singapore. The whole series covers the complete syllabus for the Singapore Cambridge GCE O Level Mathematics. The sixth edition of New Syllabus Mathematics retains the goals and objectives of the previous edition but has been revised to meet the needs of the current users to keep materials up to date as well as to give students a better understanding of the contents. All topics are comprehensively dealt with to provide students with a firm grounding in the subject. Explanations of concepts and principles are precise and written clearly and concisely with supportive illustrations and examples. Examples and exercises have been carefully graded to aid students in progressing within and beyond each level. Those exercises marked with a require either more thinking or involve more calculations. Numerous revision exercises are provided at appropriate intervals to enable students to recapitulate what they have learnt. Some interesting features of this series include the following: an interesting introduction at the beginning of each chapter complete with photographs or graphics; brief specific instructional objectives for each chapter; Just For Fun arouses the students' interests in studying mathematics; Thinking Time encourages students to think creatively and go deeper into the topics; Exploration provides opportunities for students to learn actively and independently; For Your Information provides extra information on mathematicians, mathematical history and events etc; Problem Solving Tips provides suggestions to help students in their thinking processes. We also introduce problem solving heuristics and strategies systemically throughout the series. Your Attention alerts students to misconceptions.

New Syllabus Mathematics Workbook 4 Dr Joseph Yeo, Teh Keng Seng, Loh Cheng Yee, Ivy Chow, 2008-01-01 New Syllabus Mathematics Workbook Express is written in line with the new Singapore Cambridge GCE O Level Examination and the new initiatives of the Ministry of Education. The workbook consists of exercises which prepare students for their examinations. The more difficult questions are marked with an 'A'. To encourage student-centred learning, the workbook includes non-routine types of worksheets that are classified under the section Alternative Assessment. These worksheets encourage students to learn independently through carefully guided steps and the use of IT. Students are motivated to investigate mathematical concepts with various methods and think critically so that they will understand and appreciate the concepts better. The teacher can gauge the students' learning by assessing the work with the scoring rubric found at the end of the relevant worksheets. The workbook is accompanied with a CD-ROM that contains templates to be used with some worksheets. It is hoped that with the use of various pedagogies, different types of students will be inspired to achieve success in mathematics.
