Desired States Lessie Jo Frazier, 2020-06-12 *Desired States* challenges the notion that in some cultures sex and sexuality have become privatized and located in individual subjectivity rather than in public political practices and institutions. Instead, the book contends that desire is a central aspect of political culture. Based on fieldwork and archival research, Frazier explores the gendered and sexualized dynamics of political culture in Chile, an imperialist context, asking how people connect with and become mobilized in political projects in some cases or in others become disaffected or are excluded to varying degrees. The book situates the state in a rich and changing context of transnational and localized movements, imperialist interests, geo-political conflicts, and market forces to explore the broader struggles of desiring subjects, especially in those dimensions of life that are explicitly sexual and amorous: free love movements, marriage in the sixties, sexual revolution in Cold War contexts, prostitution policies, ideas about men's gratification, the charisma of leaders, and sexual domestic violence against women.

Pornography and Difference Berkeley Kaite, 1995-11-22 This study of pornographic magazine photographs (softcore, hardcore, transsexual, transvestite) analyzes the visual code of these images. It engages questions about masculinity and masculine sexuality such as: Is there a necessary relation between difference and phallic desire? Can the masculine subject imagine otherness? Is there a will to asceticism in this masculine sexual surrender to indifferentiation?

Not literally, but close enough. My girlfriend Marcy had two fingers buried in my pussy, slick with my juices. Marcy's mouth was latched tightly onto my clit, sucking and licking intensely. She knew my body well enough to give me exactly what I wanted. Wave after wave of intense bliss emanated from my midsection as my body drew closer to climax. Meanwhile, Marcy's other hand was busy working her own pleasure button. Her inner thighs glistened with moisture, and she groaned quietly. I would have been moaning too, but my mouth was stuffed by the six-inch dick belonging to my boyfriend Kitt. Kitt's hips thrust lightly, allowing him to gently skull fuck me for the first time in my life. Hooray for new experiences. Fellating my boyfriend while receiving oral ministrations was no easy task. And I was not exactly a pro. At I was struggling with focusing on Kitt and not losing myself to all the amazing things Marcy was doing to me. I tried to use my tongue as much as possible while allowing Kitt to use my mouth. The three of us were on my pull-out sofa bed, which filled most of the space in my tiny studio apartment. Our clothes littered the floor, except for my bra, which had been yanked down around my lower ribs when Kitt had mauled and suckled my breasts just a few minutes earlier. Now my barely B-cup mocha tits wobbled softly as I tried to thrust my pussy deeper into Marcy's face. My muffled moaning grew louder as Marcy's tongue

brought me closer to climax Seriously her tongue was world class The force of Kitt s thrusting increased as I tightened my mouth around his swollen rod      *THE NEXUS ( Book 2)* Kelly A Gilbert,2023-03-09 I woke up Friday morning to the sound of my phone ringing Only one person I knew called me before trying to reach me on text my boss Gary I rolled over in bed head pounding slightly hung over and fumbled for my phone I yanked it toward my ear before realizing it was still connected to the charger and it slipped out of my hand I swore and reached for it Hello I said My mouth tasted terrible and my voice sounded like how I felt Hey Marcy Gary answered Just got a call from a work order location you did a few weeks ago Robin Wheeler Does that ring a bell It took several seconds for my brain to register what Gary had said Robin Of course I d caught her fucking her stepson Okay Yep I answered The one I told you about Remember Spank Spank Call me Mom Gary snorted and choked back laughter Oh yeah That s right Well she just called and said her faucet is already broken I Think it wasn t correctly installed I Want someone to come over and fix it I made a choking sound of disbelief I know how to install a faucet properly Drew kissed my neck sending waves of electric shock up and down my neck My hips started rolling to meet his thrusts His large lips pressed softly against my jawline and I nearly turned my face to meet his lips but stopped myself I didn t want to kiss because I knew that could be a trigger for emotional connection perhaps even more than orgasms and sexual contact Our rhythm synched once more as I began thrusting hard up to meet his cock my need to cum pushing everything aside as I groaned my pleasure Drew kissed my neck again biting softly on the flesh something nobody had ever done to me before Yes I cried Do that again Drew bit me once more and I felt an explosion in my center radiating outward I m cumming I told him I m cumming Keep going Using his weight Drew pinned my body down into the couch and rutted into me until he also cried out with pleasure Oh he grunted with his deep voice buried into my hair Ohh Our union was so tight I could feel every spasm of his cock as his seed squirted into my hungry pussy Once we had both calmed down Drew rolled off me and I put my hand to my crotch to prevent his jizz from getting all over the couch or floor Be right back I said hurrying into the bathroom      **Zitty** ,2001      Nexus Henry Miller,2014      Nexus Henry Miller,1993      **The Nexus** Nicole Morgan,2012

how that was possible The ranch had patrols out every night and a watch team monitoring electronic feeds covering all approaches Surely if there was a child out wandering around they would have spotted them Well shit He was awake anyhow He might as well check it out He carefully extricated himself from a sleeping Maria eased over a lightly snoring Sarah and went to the window He still couldn't see anything in the pale dawn light filtered by a light early winter mist Then the sound came once more This time a wracking sob accompanied it It was emanating from near the covered front porch Ben considered for a moment Should he alert the security patrol He paused a moment and sent out his senses No there was no imminent threat although he could vaguely sense a roiled passion coming from Lizzy in her sleep He grinned slightly as he leaned over and kissed her on her forehead his princess must be having sexy times in her dreams Ben pulled on a pair of sweats and his slippers What the heck No point in getting everyone else's panties in a knot until they knew what they were dealing with He made his way down the stairs to the front door stepping carefully to avoid waking the household Cracking the door slowly he stepped out onto the covered porch and there sitting on the top step in the dim light was probably the last thing he expected to see A demon was sitting on his porch Ben had no idea that the beautiful but forlorn demon girl crying on his front porch would lead him headlong into another dangerous Nexus mission only this one is to the gates of Hell itself and beyond
