Certification and they get a variety of results Trivium Test Prep's ACE Personal Trainer Certification Study Guide provides the information, secrets, and confidence needed to get you the score you need the first time around. Losing points on the ACE Personal Trainer Certification can cost you precious time, money, and effort that you shouldn't have to spend. What is in the book? In our ACE Personal Trainer Certification study guide, you get the most comprehensive review of all tested concepts. The subjects are easy to understand and have fully explained example questions to ensure that you master the material. Best of all, we show you how this information will be applied on the real exam. ACE Personal Trainer Certification practice questions are included so that you can know without a doubt that you are prepared. Our study guide is streamlined and concept-driven, not filled with excess junk, silly attempts at humor, or confusing filler so you get better results through more effective study time. Why spend days or even weeks reading through meaningless junk trying to sort out the helpful information from the fluff? We give you everything you need to know in a concise, comprehensive, and effective package. Why trust Trivium Test Prep? Our ACE Personal Trainer Certification study materials are created by industry and educational experts. Other study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium study guides are different. Our dedicated professionals know how people think and learn and have created the ACE Personal Trainer Certification study guide based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our ACE Personal Trainer Certification study guide is specifically tailored for your exact needs.

ACE Certified Personal Trainer Exam Prep C. P. T. Exam Prep Team, 2020-12-12 2021 Edition. This study guide covers everything on the exam and references The Exercise Professional's Guide to Personal Training by the American Council on Exercise. Includes 50 practice questions very similar to the actual exam. The previous American Council on Exercise Personal Trainer Manual Fifth Edition is still a valid tool to use for the exam. The new guide has the updated preparticipation screening blood pressure categories and introduces the new ACE Mover Method and ABC Approach. However, both textbooks and this study guide cover the same topics that you will be tested on. The exam content outline has not changed. The guide is organized in the following four performance domains: Domain I Client Interviews and Assessments; Domain II Program Design and Implementation; Domain III Program Progression and Modifications; Domain IV Professional Conduct, Safety, and Risk Management. Studying made Simple. Save Time. Study Smarter, not Harder. Includes Key Concepts with required information needed for the exam. Includes detailed descriptions of assessments, anatomy, training principles, and more. Includes quick reference pages for helpful resources, formulas, conversions, and acronyms. Includes detailed practice question answers with explanations on how the answers were obtained. CPT Prep is not affiliated with or endorsed by any official testing organization.
