Performance Making A Manual For Music Workshops:

Performance Making Graeme Leak, 2003 Graeme Leak takes a fresh approach to musical learning by using the body as a performance instrument. It's a technique that defies the constraints of more conventional ways of learning music which focus on a particular instrument or style. Based on extensive experience as a musician and teacher, Leak's unique performance making process builds musical skills and imagination, transforming students into composer-performers. This book shows how to run a performance making workshop, everything from setting up a workspace to managing group dynamics, and provides a wide range of warm-up techniques and challenging exercises on pulse, metre, rhythm, tone, timbre, texture, and more. Performance making workshops encourage participants to explore the building blocks of music, experience the physical and theatrical possibilities of music, and create exciting group performance pieces. Featuring illustrations, course plans, and a handy glossary, Performance Making is an inspiring guide to teaching musical performance skills. The Oxford Handbook of Music Making and Leisure Roger Mantie, Gareth Dylan Smith, 2017 The Oxford Handbook of Music Making and Leisure presents myriad ways for reconsidering and refocusing attention back on the rich, exciting, and emotionally charged ways in which people of all ages make time for making music. Looking beyond the obvious, this handbook asks readers to consider anew what might we see when we think of music making as leisure. **A Complete Manual for the Ministry of Church Music** Lindsay Terry, 2002 Performance Studies Richard Schechner, 2017-07-14 Richard Schechner is a pioneer of Performance Studies.
