Untouched Innocence Christine Adrow,2022-01-14 We have heard some ministers say that it is your belief that will send you to hell and not your sins and this can be misleading Because some of you might be deceived into thinking that you can keep sinning as long as you believe there is a God Not only are some of you living your lives to reflect that kind of thinking you are expressing it from your mouth If one does not repent and remove from him his sins he does not profit his soul any good thing Remember repenting is part of the process to become sanctified All sins big and small shall be repented of and forgiven And remember also have you forgiven so that your sins can be forgiven you also It all works together for your salvation to be intact If you die with any of these sins still part of you which you have not bothered to repent off my Bible tells me that you cannot enter the kingdom of God Think about this if you really believe there is a God and there is you are going to come to a point where you are going to not want to sin before Him and get right with Him You re going to judge your own self because your conscience is going to weigh you down Don t focus on the sugarcoated babblings of man and his weak human wisdom but do focus on the precious bloodshed mercy of Jesus Those sins that yield short lived pleasure are only temporary and lead directly to the gates of hell but your salvation leads directly to Jesus through eternity Be on the safe side just repent and get right with God It is the only way This book was written for personal enrichment and Christian training It gives the reader clear easy instructions and Scripture references for the reader to research This book appeals to young people to make that change in their lives that Jesus is calling for There is also a worksheet to help the reader interact with the book If you would like to give me your thoughts about the book and whether it answered any of your concerns send them at Christine adrow gmail com
