

PREFACE

This service manual contains chief instructions in connection with service and maintenance of PGO TIGRA motorcycle and is also one technical manual and one best guideline illustrating details for service workers who are engaged in maintenance, reparation, replacement of parts, troubleshooting, and reassembly. The service manual prepared from simple takedown to detailed disassembly and from performance introduction to service preparation provides complete instructions for general lubrication and routine check or adjustment. Explained with general views, exploded views, or photos, all necessary items repeatedly cited should be referred to the previous drawings and not further described in detail herein.

As a result of this service manual composed of directions for the following model, please check the model of your motorcycle among different ones in the manual for any contents available.

- **AF-125BAE: Four-Stroke Cycle, 125CC Level, 4-valve, water cooling, electronic injection engine**

The high-performance electronic fuel-injected water-cooling engine provided in this motorcycle is the up-to-date 125CC engine developed by Motive Power and being excellent in the engine kept within the optimal operating temperatures for high precision and the power output superior to that of a general air-cooling engine.

For any inadvertent mistakes attributed to preparation in a hurry, Motive Power Industry sincerely wish any person skilled in the art offer any comments.
