Ruin Me Nova Series English Edition:

Enchanted Chaos Jessica Sorensen ,2019-07-15 Skylin has always lived a fairly normal life Well except for the fact that whenever her emotions run high strange things occur like fires starting out of nowhere or the ground freezing over But the worst part is that a kiss from her will knock a person unconscious Still her life hasn't been too terrible until the day her parents vanish into thin air and she's shipped off to live with her father's friend and his six sons Skylin isn't sure if she can survive the chaos that is the Everettson family But she doesn't have a choice unless her parents are found so she tries to make the best of the situation and befriend the Everetts even though not all of them are fans of her especially Foster a guy she once had a crush on until he opened his mouth But it turns out that the Everetts aren't your typical family and Skylin soon realizes she's not the only person in the world with strange abilities And in order to survive the dangerous magical world she's thrown into full of magic and powerful gods and goddesses she'll have to put her trust in not only the Everetts but Foster as well This is a full length coming of age romantasy fated mates romance novel and Sky and Foster's story will wrap up in book 2 *Shimmering Chaos* which is now available *Isa & the Guy Next Door* Jessica Sorensen , I've always been the girl that never fit in This is kind of a problem since I've had a huge crush on Kyler my next door neighbor who's one of the most popular guys in school But I'm pretty sure he's never going to see me as anything else except the weird girl who lives next door And that's okay I've learned to accept that I have bigger problems to worry about anyway like the fact that my family has been keeping a secret from me for years It's something that's always bothered me so when I take a summer trip overseas with my grandma and cousin I decide to poke around and see if I can solve the mystery But solving an old family secret is proving to be more complicated than I thought Enter Kai Kyler's younger brother Kai used to be my sworn enemy but now he's offering to help me figure out the mystery surrounding my family I'm not sure why he wants to help me but I guess there's no harm in it What we end up discovering though is way darker than I ever could've imagined

The Rules of Being Friends Jessica Sorensen , My new life in Honeyton is becoming complicated It all starts when I hear my uncle talking about some sketchy stuff that may have to do with me I also think there might be more to Hunter and his friends than they're letting on like maybe we've met before Not that everything is terrible Hunter and his friends are nice to me and they've brought me into their group For the first time I think I might finally have some friends But a lot of mystery still surrounds me And I'm still being blackmailed by someone I need to figure out the truth about my past and fast *The Secret Life of a Witch* Jessica Sorensen, I have a secret I'm a witch Okay maybe it's not that big of a secret At least not in Mystic Willow Bay a town where practically every paranormal creature lives Still I have plenty of secrets Like the fact that I suck at casting spells which is a huge problem considering I'm a witch I can also talk to dead bodies and I'm secretly working on a spell that will hopefully revive my sister from the dead Other than that I'm just an average witch who spends most of my time going to school practicing spells and hanging out with Hunter a sexy wizard who I have a huge crush on Yep that's my

life in a boring magical spell Or well I thought so But when I cross paths with a tricky demon I realize nothing about my life is what it appears to be This is a paranormal witch mystery romance that features magic mystery and a lot of humor

Breathing Undead Lies Jessica Sorensen , Late one night I died on Hallows Hill And then I came back from the dead I m not sure how it happened All I know is that I m not the same person as I was before I died I ve started seeing things that shouldn t be real and I feel this strange pull toward Kingsley a guy I used to think was dangerous but now I m not so sure he is And I m pretty sure the people closest to me are lying about something I m also pretty sure my death wasn t an accident I need to figure out what happened to me before I end up dead Again
