What Is Cultural Criticism? Francis Mulhern, Stefan Collini, 2024-06-04 Two leading critics grapple with problems of literature politics and intellectual practice In What Is Cultural Criticism two leading critics grapple with problems of literature politics and intellectual practice The debate opens with Francis Mulhern's account of what he terms metacultural discourse This embraces two opposing critical traditions the elite pessimism of Kulturkritik and the populist enthusiasms of Cultural Studies Each in its own way dissolves politics into culture Mulhern argues Collini on the other hand protests that cultural criticism provides resources for genuine critical engagement with contemporary society Tension between culture and politics there may be but it works productively in both directions This widely noticed encounter is that rare thing a sustained debate in which as Collini remarks the protagonists not only exchange shots but also ideas It
