Stephenie Meyer (Author of the Twilight, New Moon, and Eclipse) Sara McEwen, 2012-02-29 ABOUT THE BOOK In 2003 a young stay at home mother living in Arizona woke up at four in the morning still reeling from a dream that she could not shake out of her mind Stephenie Meyer had never really wanted to be a writer and had never written so much as a single short story before but she felt compelled to turn this dream into a novel Although she tried to focus on her usual daily routine of caring for her three young sons and doing chores around the house and around her town of Cave Creek the dream still lingered filling her head with visions of a good hearted but tortured

vampire and the ordinary teenage girl who fell in love with him Meyer eventually found a moment of free time and wrote down parts of her dream fleshing out the ideas to give them a narrative and a voice That story was at the root of Meyer s bestselling series that would take the world by storm Meyer s inspiration led her to create a compelling and addictive young adult novel She wrote the first draft of her novel in only three months working whenever her schedule as a stay at home mother would allow snatching moments of free time while her children were asleep or her husband Pancho took care of the chores Instead of setting the story in sunny Arizona the state where she grew up Meyer chose the rainy forests of Forks Washington EXCERPT FROM THE BOOK After Stephenie and Pancho were married they settled in Arizona again When Meyer s oldest son was born she decided that her dreams of law school were not really as important as her desire to stay home and focus on motherhood After Gabe was born Meyer s two other sons Eli and Seth soon followed In 2003 Meyer was a happy content and busy stay at home who worked hard to tend to her three sons all of them under the age of five Her husband s work as an auditor kept the family well provided for All the same in what seemed like a magical moment of unexpected inspiration Meyer s contented and simple life changed When she had a dream about a vampire and a human girl Meyer began to wonder if maybe she could be a writer just like her many literary idols She began to write down the story at first just for fun and personal enjoyment Buy a copy to keep reading [Stephenie Meyer](#) Katherine Krohn,2010-08-01

The Book Publishing Industry Albert N. Greco, Jim Milliot, Robert M. Wharton, 2013-07-31 This volume provides an innovative and detailed overview of the book publishing industry including details about the business processes in editorial, marketing and production. The work explores the complex issues that occur every day in the publishing industry. The Twilight Mystique Amy M. Clarke, Marijane Osborn, 2014-01-10 The 13 essays in this volume explore Stephenie Meyer's wildly popular *Twilight* series in the contexts of literature, religion, fairy tales, film and the gothic. Several examine Meyer's emphasis on abstinence, considering how, why and if the author's Mormon faith has influenced the series' worldview. Others look at fan involvement in the *Twilight* world, focusing on how the series' avid following has led to an economic transformation in Forks, Washington, the real town where the fictional series is set. Other topics include Meyer's use of Quileute shape-shifting legends, *Twilight*'s literary heritage and its frequent references to classic works of literature and the series' controversial depictions of femininity. **Stephenie Meyer** James Blasingame Jr., Kathleen Deakin, Laura A. Walsh, 2012-06-07 Inspired by a vivid dream, Stephenie Meyer, a stay-at-home mom, wrote a manuscript that started a worldwide sensation that has yet to abate. In 2005, her debut novel *Twilight* crashed onto the shore of teen literature like a literary tsunami. Four books later, she had become the top-selling author in the world. When the final book in the *Twilight* series, *Breaking Dawn*, was released in 2008, more than a million copies were sold on the first day alone. The popular culture phenomenon of Stephenie Meyer and her writing is much more than the sum total of her weeks on the bestseller list, however. *Stephenie Meyer In the Twilight* looks at the life and work of this author, beginning with her childhood and covering her teen years and life before stardom. This volume also profiles Meyer's world since becoming a cultural icon. In addition to discussing Meyer's writing style, the chapters also explore each of her books, with a final chapter focusing on her presence in social media and public events. As young and old continue to devour her every word, this volume puts into perspective the work and impact that Meyer has around the world. *Stephenie Meyer In the Twilight* will be of interest to teachers and librarians as well as to middle and high school students, not to mention adults who are interested in learning more about their favorite author.
