Complex Trauma Syndrome* Daniel Rudofossi,Dale A Lund,2017-07-05 Cop Doc s Guide to Public Safety Complex Trauma
Syndrome is written in response to the need for an advanced specialized guide for clinicians to operationally define
understand and responsibly treat complex post traumatic stress and grief syndromes in the context of the unique varieties of
police personality styles The book continues where Rudofossi s first book Working with Traumatized Police Officer Patients
left off Theory is wed to practice and practice to effective interventions with police officer patients The how and why of a
clinician s approach is made highly effective by understanding the distinct personality styles of officer patients Rudofossi s
theoretical approach segues into difficult examples that highlight each officer patient s eco ethological field experience of

expands the ecological ethological existential analysis of complex PTSD into the context of personality styles with an
emphasis on resilience without ignoring the pathological aspects of loss that often envelop officer patient trauma syndromes
