Guide to Alternative Energy Sources and Applications Marian F. Eilers, John Laughland, 1980 A highway engineer considering an alternative energy source for an upcoming project probably does not have a background in heating ventilation and air conditioning or electrical engineering but with overall responsibility for the project needs to determine quickly whether or not an alternative energy source is cost effective If it is cost effective he would then need to know the design process and terminology to supervise the designer's work The guide meets these needs and in addition offers a selected bibliography of published information a listing of persons with experience in this area and a selection of actual case studies of highway agencies that have used alternative energy sources successfully

The History of Alternative Rock Stuart A.

Kallen, 2012-05-09 This volume discusses the history of alternative rock and the ethos of alt rockers as rebels who value independence experimentation and truth telling Rather than making music for broad commercial appeal these musicians drew from a variety of styles that were considered unfriendly for consumers Over the years alternative rock has spawned mash ups of garage rock punk new wave rap thrash and hardcore This group of indie rockers not only created a new sound but also put forth a different attitude as they outwardly rejected the musical standards and sales practices set by major record companies
