Newspapers In Hong Kong

Hartmut Walravens, Edmund King

Newspapers In Hong Kong:

Voices from the Past Solomon Bard, 2002-01-01 Through excerpts from the earliest English language newspapers in Hong Kong accompanied by Solomon Bard's insightful comments *Voices From the Past* provides unique glimpses into Hong Kong's history Illustrated with interesting photographs chiefly from the Hong Kong Museum of History's photographic library the pages bring Hong Kong's colonial past vividly to life The newspaper excerpts in chronological order are faithful to the original text reproducing its quaint prose and spelling and even occasional errors Focusing mainly on Hong Kong the excerpts also touch on Macao mainland China and the rest of the world They reflect the changes over the years in language style of writing even in humour Of special interest are the public responses to the many inventions which today we take for granted such as electric lighting the motor car or the first attempts at flying Most importantly they reveal the gradual changes in Hong Kong's colonial attitudes as these slowly adjust to the new contemporary values and social and political changes

Media in Hong Kong Carol P. Lai, 2007-03-12 Making full use of newly declassified material extensive interviews and specific case studies this book examines the Hong Kong media over a forty year period focusing in particular on how its newspapers and TV stations have struggled for press freedom under the colonial British administration as well as Chinese rule

Mass Communication in Hong Kong and Macao Yelu Yu, 1976 *A Free Press, If You Can Keep It* Giovanna Maria Dora Dore, Arya D. McCarthy, James A. Scharf, 2023-05-11 This Brief introduces a novel research approach to investigate freedom of the press in Hong Kong The authors pair computational analyses from the field of natural language processing with qualitative content analysis of patterns of journalistic practice in volatile political settings Together these shed light on the evolution of press freedom in Hong Kong since its return to Chinese sovereignty Providing an interdisciplinary perspective the Brief will appeal to a wide range of readers with interests in computational social science public policy political sciences as well as policy makers think tanks and practitioners who focus on the China Hong Kong nexus

The History of the Laws and Courts of Hong-kong James William Norton-Kyshe, 1898 ***The Evolving Landscape of Media***

and Communication in Hong Kong Yu Huang, Yunya Song, 2018 Over the last twenty years Hong Kong society has witnessed dramatic change and nowhere is this better reflected than in the realm of media and communications Across the fields of journalism public relations and advertising we can see the changing trends in terms of audience consumption and interaction From technological developments to the shift in audience participation the expectations and functions of these professions have been greatly altered While many of these changes are occurring worldwide within Hong Kong the processes of change have been further complicated by recent social and political events Through a selection of essays by field experts this volume explores the evolution of media itself as well as the complex causes underlying these developments It identifies not only the difficulties and opportunities for media professionals today but also the evolving role of the audience

A History of Journalism and Communication in China Yunze Zhao, Ping Sun, 2018-05-11 From a modern perspective

journalism is highly relevant to modern society along with the emergence of mass printing system and professionalisation. This book however expands the meaning of journalism and views it as a social process. It will not only explore the roots and development of Chinese journalism and communication but also demonstrate how Chinese journalism and communication interact and struggle with social culture and politics. Arranged in chronological order, mainly this book examines the initial development of Chinese journalism in ancient times in chapter 1 which from then manifested strong political attributes. After the Opium War in 1840, missionaries and businessmen from the West started to set up newspapers and periodicals in China which brought about the birth of China's modern journalism industry. Then China's private newspapers and political party's press are studied which are closely linked with political revolutions and have a far-reaching impact on modern Chinese society. What happened to Chinese journalism and communication after the founding of People's Republic of China in 1949. This book reviews the newspaper reforms and studies the great negative impacts brought by Cultural Revolution. Noteworthy news phenomena after the reform and opening up are also covered. This book will appeal to scholars and students in journalism, communication and Chinese studies. Readers interested in Chinese society and modern Chinese history will also be attracted by it.

Political Development In Hong Kong Joseph Yu-shek Cheng, 2020-02-27. This volume analyzes the political development in Hong Kong in chronological order from the Sino-British negotiations till today. It focuses on the rule of the British administration before 1997, the Chinese leadership's policy towards Hong Kong, the changing attitudes and values of the Hong Kong people, the evolution of the pro-democracy movement in the territory and the international environment affecting the Hong Kong situation. The author engages in detailed studies of the important events such as the Sino-British negotiations 1982-84, the impact of the Tiananmen Incident 1989, the protests against the Article 23 legislation 2003 and the Occupation Campaign 2014. At the same time, the author examines in depth the emergence and development of political parties in the territory, the strategies and tactics of the pro-Beijing united front, the results of important elections, the trends of public opinion as reflected by polls and the development of civil society and its relationship with the political parties. As a key activist in the peaceful pro-democracy movement throughout the decades, the author has a deep insider's understanding of Hong Kong's political development which is presented and analyzed in the framework of academic analysis. Care has been taken to provide detailed sources which include many interviews of important parties.
