Clary, 2014-02-28 My friend Sue and I had spent so much time together we felt like sisters We had made so many plans for our future as young girls do We would graduate from school get married have a career children and we would be lifelong friends sharing those moments together Part of that dream had already come true Sue was a year older than myself I went to her graduation and was so proud of her She had just got an apartment with her boyfriend I was halfway through my senior year We went Christmas shopping at the mall But by January 16 1980 my friend Sue went missing When I graduated Sue was not there Then I got my first apartment still no Sue I would hear nothing about what happened to Sue for fifteen years Now I will try to fill in the blanks that I have learned over the years And the surprising shocker after thirty three years Because of the sensitive nature of this book I will be using the pen name Crystal Clary The information I will be sharing with you was unknown to me at the time I decided to write this book in Omniscient so you as the reader will be able to see all and know all
