Deputy In Disguise Rick Miner, 2010-01-20 Sometimes it is necessary to make light of who we are and what we do in life. From being funny when we want to adjusting our attitudes when we have to. I have documented some of the best people I ever knew as well as some of the worst. And through it all some will smile while others will spit and gnash their teeth. Others will simply shake their heads one way or another. Rick Miner

Both Sides of the Fire Line Bobbie Scopa, 2022-09-06 Bobbie Scopa spent close to five decades working through nearly every challenge a firefighter can face. Scopa was a strike team leader for the Dude Fire in 1990 where six firefighters were tragically killed and she served at Ground Zero immediately after 9/11. She's worked mountain rescues, city fires, mega wildfires, and everything in between. While battling conditions and harsh flames on the outside, she also found herself waging a tougher battle on the inside. Scopa was torn between how to maintain the facade everyone expected of her and whether to live as her true self. A hero firefighter can't possibly be transgender, right? She thought. Lines of Scrimmage Joe Oestreich, Scott Pleasant, 2015-08-14 As in many small towns in the South, folks in Conway, South Carolina, fill the stands on fall Fridays to cheer on their local high school football squad. In 1989, with returning starter Carlos Hunt at quarterback and having finished with an 8-4 record in 1988, hopes were high that the beloved Tigers would win their first state championship. But during spring practice, Coach Chuck Jordan, who is white, benched Hunt, who is black, in favor of Mickey Wilson, an inexperienced white player. Seeing this demotion of the black quarterback as an example of the racism prevalent in football generally and in

Conway specifically thirty one of the team's thirty seven black players under the guidance of H H Singleton pastor of Cherry Hill Missionary Baptist Church and president of the local NAACP boycotted the team in protest The season long strike severed the town along racial lines as it became clear that the incident was about much more than football It was about the legacy of slavery and segregation and Jim Crow and other points of tension and oppression that many people in Conway and the South had wrongly assumed were settled While the 1989 season is long over the story reverberates today Chuck Jordan is still coaching at Conway High and he's still without that state championship Meanwhile Mickey Wilson is now coaching Conway's fiercest rival the Myrtle Beach Seahawks In the annual Victory Bell Game between Conway and Myrtle Beach the biggest contest of the year for both teams a veteran coach and his young protégé compete against each other against the backdrop of a racial conflict that bitterly divided a small southern town

The Gavel and Sickle: The Supreme Court, Cultural Marxism, and the Assault on Christianity Anthony Walsh, 2018-01-05 This book addresses the benefits of Christianity for all the degradation of our culture since the 1950s the pernicious effects that cultural Marxism has had on Western cultures and the loss of religious freedom as the Founders envisioned it due to a number of Supreme Court rulings We cannot understand the culture war and cultural debasement until we understand cultural Marxism Cultural Marxism has been hiding in plain sight since the 1930s with the immigration to the United States of a cadre of intellectuals from Germany who brought with them the folderol of critical theory political correctness gender neutrality radical feminism and moral relativism This intellectual moonshine is designed to weaken family structure and individual morality and it has worked The ultimate purpose of cultural Marxism is to destroy Western civilization from within This goal is clearly and unambiguously stated in their books and articles In numerous places in these books and articles cultural Marxists are adamant that if socialism is ever to come to America the two epicenters of Western morality the family and Christianity will have to be destroyed by slow stealthy and incremental attacks on them They have been aided in their efforts by anti Christian rulings by the United States Supreme Court since the 1940s I do not claim in any sense that the Supreme Court is engaged in a conspiracy with cultural Marxists Their rulings have been based on a reading of the Establishment Clause of the First Amendment that its authors would not recognize and have used this clause to eviscerate the Free Exercise Clause America's first freedom The Court has purged Christianity from the public square and in doing so it has unwittingly helped the cultural Marxist agenda by spiritually disarming America
