The National League for Nursing Pre-Admission Examination for Registered Nursing (NLN PAX RN) is a standardized examination for anyone wishing to enter a nursing school in the United States. All the questions in the NLN PAX exam are pulled from the [NLN PAX Test Bank](#). Minimum passing standards vary, and are based on an individual school's entrance requirements. All candidates must have a high school diploma or the GED equivalent prior to taking the pre-admission examination for registered nursing.

Each pre-admission examination consists of three separate multiple-choice examinations.

1. The verbal ability examination assesses word knowledge through sentence completion and reading comprehension.
2. The mathematics examination assesses skill in basic calculations and word problems, as well as incorporating integers, fractions, decimals, percentages, conversions, graphs, applied mathematics, and algebraic and geometric concepts.
3. The science examination contains questions relating to general science, biology, chemistry, physics, earth science, and human anatomy and physiology.

The National League for Nursing maintains a very strict no refunds policy on all purchases and examination fees. There is no refund for cancelling and for not attending the examination. If it is necessary to switch exams, the fees paid on the first exam are neither refundable or transferable. This underscores the importance of passing the NLN PAX on the first attempt and nothing is better at accomplishing this than seeing the exact questions and answers ahead of time. That is why it is absolutely vital for all students to get this [NLN PAX Test Bank!](#)

Admittance to the test site will not be permitted without the required documentation, and any testing fees will be forfeited. Pencils are not provided at the test site. Calculators are not allowed under any circumstances. But, no worry, as you will know in advance exactly what questions you will see on the exam thanks to the [NLN PAX Test Bank!](#)

If the candidate fails the examination on a first attempt and wishes to retake it, there is a waiting period before a second attempt will be permitted. Retake policies vary between schools, check with the school for specific information regarding their retake policy. However, a six month waiting period is typical of most institutions.
