God's Exercise Manual Keith Lopez Organic Fitness,2007-12-18 God's Exercise Manual is a book created to provide an understanding of health. It teaches a simple method to maintain a healthy body weight. In a time when all food is fast and all movement is minimal, this book is a necessity. Nutrition and exercise will make an impact in your life if you can live with the simple changes that will increase your health. A prescription does no good if it is not taken. This book was written to deliver powerful and effective theories on exercise. Simple and gradual changes in the way you move. This is not a temporary change; your life is this. This is a permanent change of your life. This diet is created by God because he created all the movements in the program.
