The Spirit of Roman Law Alan Watson, 2008 This book is not about the rules or concepts of Roman law says Alan Watson but about the values and approaches explicit and implicit of those who made the law The scope of Watson s concerns encompasses the period from the Twelve Tables around 451 B C to the end of the so called classical period around A D 235 As he discusses the issues and problems that faced the Roman legal intelligentsia Watson also holds up Roman law as a clear although admittedly extreme example of law s enormous impact on society in light of society s limited input into law Roman private law has been the most admired and imitated system of private law in the world but it evolved Watson argues as a hobby of gentlemen albeit a hobby that carried social status The jurists the private individuals most responsible for legal development were first and foremost politicians and in the Empire bureaucrats their engagement with the law was primarily to win the esteem of their peers The exclusively patrician College of Pontiffs was given a monopoly on interpretation of private law in the mid fifth century B C Though the College would lose its exclusivity and monopoly interpretation of law remained one mark of a Roman gentleman But only interpretation of the law not conceptualization or systematization or reform gave prestige says Watson Further the jurists limited themselves to particular modes of reasoning no arguments to a ruling could be based on morality justice economic welfare or what was approved elsewhere No praetor one of the elected officials who controlled the courts is famous for introducing reforms Watson points out and in contrast with a nonjurist like Cicero no jurist theorized about the nature of law A strong characteristic of Roman law is its relative autonomy and isolation from the rest of life Paradoxically this very autonomy was a key factor in the Reception of Roman Law the assimilation of the learned Roman law as taught at the universities into the law of the individual territories of Western Europe
