Brown and Gay in LA Anthony Christian Ocampo,2023-09-05 Co Winner of the 2023 Latino a Section Best Book Award given by the American Sociological Association Honorable Mention 2024 Best Book Award given by the Asia and Asian America section of the American Sociological Association The stories of second generation immigrant gay men coming of age in Los Angeles Growing up in the shadow of Hollywood the gay sons of immigrants featured in Brown and Gay in LA could not have felt further removed from a world where queerness was accepted and celebrated Instead the men profiled here maneuver through family and friendship circles where masculinity dominates gay sexuality is unspoken and heterosexuality is strictly enforced For these men the path to sexual freedom often involves chasing the dreams while resisting the expectations of their immigrant parents and finding community in each other Ocampo also details his own story of reconciling his queer Filipino American identity and those of men like him He shows what it was like for these young men to grow up gay in an immigrant family to be the one gay

person in their school and ethnic community and to be a person of color in predominantly White gay spaces Brown and Gay in LA is an homage to second generation gay men and their radical redefinition of what it means to be gay to be a man to be a person of color and ultimately what it means to be an American **Who Are You?** Alex Custodio, 2020-10-13 Celebrate Nintendo's Game Boy Advance in this video game history that traces the handheld's network of hardware and software afterlives In 2002 Nintendo of America launched an international marketing campaign for the Game Boy Advance that revolved around the slogan Who Are You asking potential buyers which Nintendo character game or even device they identified with and attempting to sell a new product by exploiting players' nostalgic connections to earlier ones Today nearly 2 decades after its release and despite the development of newer and more powerful systems Nintendo's Game Boy Advance lives on through a community that continues to hack modify emulate make break remake redesign trade use love and play with the platform In Who Are You Alex Custodio considers each component of this network hardware software peripheral or practice to illuminate the platform's unique features as a computational system and a cultural artifact You'll learn about The evolution of Nintendo's handhelds and consoles and how they embed nostalgia into the hardware Nintendo's expansion of the Game Boy Advance platform through interoperability Physical and affective engagement with the Game Boy Advance Portability private space and social interaction The platformization of nostalgia Fan generated content including homebrew hacking and hardware modding And much more Although the Game Boy Advance is neither the most powerful nor the most popular of Nintendo's handhelds Custodio argues it is the platform that most fundamentally embodies Nintendo's reliance on the aesthetics and materiality of nostalgia Serious Games in Physical Rehabilitation Bruno Bonnechère, 2017-10-30 Marketing text This innovative book explores how games can be serious even though most people generally associate them with entertainment and fun It demonstrates how videogames can be a valuable tool in clinics and demonstrates how clinicians can use them in physical rehabilitation for various pathologies It also describes step by step their integration in rehabilitation from the gaming technology used to its application in clinics Further drawing on an extensive literature review it discusses the pros and cons of videogames and how they can help overcome certain obstacles to rehabilitation The last part of the book examines the main challenges and barriers that still need to be addressed to increase and improve the use and efficacy of this new technology for patients The book is intended for physiotherapists and clinicians alike providing a useful tool for all those seeking a comprehensive overview of the field of serious games and considering adding it to conventional rehabilitation treatment **The Sims: The Complete Guide** Eric Boland, Game Informer Magazine, 2009 Diversifying Barbie and Mortal Kombat: Intersectional Perspectives and Inclusive Designs in Gaming Yasmin B. Kafai, Gabriela T. Richard, Brendesha M. Tynes, 2016 In *Diversifying Barbie and Mortal Kombat* the third edited volume in the series that includes *From Barbie to Mortal Kombat* and *Beyond Barbie and Mortal Kombat* we expand the discussions on gender race and sexuality in gaming We include intersectional perspectives on the experiences of diverse players non players

and designers and promote inclusive designs for broadening access and participation in gaming design and development Contributors from media studies gender studies game studies educational design learning sciences computer science and game development examine who plays how they play where and what they play why they play or choose not to play and with whom they play This volume further explores how we can diversify access participation and design for more inclusive play and learning
