Canadian Nursing- E-Book Janet C. Ross-Kerr, Marilyn J. Wood, 2014-04-22 This text examines the issues and trends impacting Canadian nursing. The five parts of the text cover everything from the development of the profession of nursing in Canada to discussions of nursing knowledge, nursing research, and the theoretical foundations of modern nursing. The authors also examine issues in the delivery of nursing care as well as nursing education, credentialing standards of care, and entry to practice. Additional chapters address collaboration, the increasingly flexible delivery in nursing education, and health informatics. The book concludes with a look at Canadian nurses' growing role in international nursing and Canadian projects that have been implemented around the globe. Detailed references at the end of each chapter. Two colour design draws attention to each section heading. Dedicated Evolve website enhances the teaching and learning experience. New student friendly features include Canadian Research Focus boxes that highlight current and relevant research and Reflective Thinking boxes that provide focused opportunities for reflection and discussion. WebLinks provide information for relevant nursing and health care organizations. Chapter Objectives, End of chapter Critical Thinking Questions, and Web Resources have been added to engage students in their own learning. With additional images that highlight key individuals and events in Canadian nursing, the text is more visually appealing than ever. Chapters combined and reorganized to reflect reviewer feedback and change in Canadian teaching focus.

Potter and Perry's Canadian Fundamentals of Nursing - E-Book Barbara J. Astle, Wendy Duggleby, Patricia A. Potter, Anne G. Perry, Patricia A. Stockert, Amy Hall, 2023-02-15 Get the solid foundation you need to practise nursing in Canada. Potter Perry's Canadian Fundamentals of Nursing 7th Edition covers the nursing concepts, knowledge, research, and skills that are essential to professional nursing practice in Canada. The text's full colour, easy to use approach addresses the entire scope of nursing care, reflecting Canadian standards, culture, and the latest in evidence-informed care. New to this edition are real life case studies and a new chapter on practical nursing in Canada. Based on Potter Perry's respected Fundamentals text and adapted and edited by a team of Canadian nursing experts led by Barbara J. Astle and Wendy Duggleby, this book ensures that you understand Canada's health care system and health care issues, as well as national nursing practice guidelines. More than 50 nursing skills are presented in a clear two column format that includes steps and rationales to help you learn how and why each skill is performed. The five step nursing process provides a consistent framework for care and is demonstrated in more than 20 care plans. Nursing care plans help you understand the relationship between assessment findings and nursing diagnoses, the identification of goals and outcomes, the selection of interventions, and the process for evaluating care. Planning sections help nurses plan and prioritize care by emphasizing Goals and Outcomes, Setting Priorities, and Teamwork and Collaboration. More than 20 concept maps show care planning for clients with multiple nursing diagnoses. UNIQUE Critical Thinking Model in each clinical chapter shows you how to apply the nursing process and critical thinking to provide the best care for patients. UNIQUE Critical Thinking Exercises

The Epistemology of Violence Beth M. Titchiner,2019-03-18 This book provides an in depth multidisciplinary framework and case study analysis for understanding the root causes of violence in schooling Drawing on critical theory psychology neuroscience and learning theory the author provides a holistic analysis of how violent epistemology and the non conducive circumstances that it produces can be seen to be at the roots of violence in societies and social institutions such as schools Chapter 1 outlines how current and historical theories of violence and interventions based on them have failed due to their inability to properly conceptualise the root causes of violence Chapters 2 addresses this by providing a new epistemic and

methodological framework for studying violence Chapters 3 and 4 then demonstrate how violence can be best conceptualised as a problem of specifically violent epistemology and the non conducive social circumstances that it fosters Chapters 5 7 demonstrate in practice how violent epistemology results in multiple manifestations of violence at the global national local and ultimately classroom level Chapter 8 concludes the book by presenting an early conceptualisation of non violent epistemology and what fostering this might look like in practice
