Sam Cooke Hes My Guide:

Dream Boogie Peter Guralnick, 2014-11-04 From the acclaimed author of *Last Train to Memphis* this is the definitive biography of Sam Cooke one of most influential singers and songwriters of all time Sam Cooke was among the first to blend gospel music and secular themes the early foundation of soul music He was the opposite of Elvis a black performer who appealed to white audiences who wrote his own songs who controlled his own business destiny No biography has previously been written that fully captures Sam Cooke s accomplishments the importance of his contribution to American music the drama that accompanied his rise in the early days of the civil rights movement and the mystery that surrounds his death Bestselling author Peter Guralnick tells this moving and significant story from Cooke s childhood as a choirboy to an adulthood when he was anything but With appearances by Martin Luther King Jr Malcolm X James Brown Harry Belafonte Aretha Franklin Fidel Castro The Beatles Sonny and Cher Bob Dylan and other central figures of this explosive era *Dream Boogie* is a compelling depiction of one man striving to achieve his vision despite all obstacles and an epic portrait of America during the turbulent and hopeful 1950s and 1960s The triumph of the book is the vividness with which Peter Guralnick conveys the astonishing richness of the black America of this era the drama force and feeling of the story **Our Uncle Sam** Erik Greene, 2009-04-09 Sam Cooke His silky voice dashing smile and laundry list of hit records have managed to withstand the test of time Now the extraordinary life of The Man Who Invented Soul Music is remembered by those who knew him best *Our Uncle Sam The Sam Cooke Story From His Family s Perspective* Available for the first time in print Sam Cooke s great nephew Erik Greene has compiled cherished memories and personal photos celebrating the private life of this legendary superstar Sam s family reveals how his sparkling personality captivating presence and enormous generosity not only made him a popular entertainer in the music industry but a favorite within the family as well *The Complete Guide To Playing Live* Paul Charles, 2010-03-04 This is about the contemporary rock circuit and it takes you to the inside of this lucrative and popular circuit and describes in detail how artists get started on the road It covers everything the artist needs to know to function professionally right from the stage of putting their band together to finding agents managers lawyers accountants promoters and road crews The members of this vital back up team will be discussed at length what each does for the act and exactly what they charge for their services With actual sample expenses sheets *Playing Live* will show where the money comes from and where exactly it goes Everything from the highs and the lows of life on the road the art of doing the deal and the root of the audience will be investigated It also goes into detail about all the by products of playing live as a career that s everything from songwriting through to radio television films recordings merchandising sponsorship acting and of course politics **Catalog of Copyright Entries** Library of Congress. Copyright Office, 1971 *Professor Lundy's Guide to Rock Music Connoisseurship* Duane Emerson Lundy, 2023-10-20 This empirical and theoretical book should be of interest to anyone who dares to consider the contentious topic of measuring and justifying aesthetic value in music as well as the

issue of how experts compare to nonexperts in terms of aesthetic fluency aesthetic sensitivity and aesthetic judgment in appraising music The book should be both practical and personal for anyone who has a music collection and loves to see it grow continuously but wisely What makes someone an expert The key issue tackled here is how one develops into such a connoisseur of music Overall the book should spark much healthy debate about rock music quality and aesthetics in general both among scholars of aesthetics and the musically passionate general public Many of the ideas for connoisseur development for music could also be applied to appraisal in other areas of aesthetics beyond music such as films visual art or literature

Words of Praise Professor Lundy's Guide to Rock Music Connoisseurship is simply fantastic It is written with elegance eloquence and passion His vast knowledge of rock n roll will enlighten every reader and his enthusiasm for this topic is infectious The book is designed to be comprehensible to any reader but also carefully cited to please the most demanding scholar He successfully aims to teach the reader how to become expert in evaluating the aesthetic quality of music using a precision system to guide us into deeper and defensible judgements on what pieces of music are the best and which are the worst This is a beautiful book that enriches the heart and brightens the mind Rhett Diessner Professor Emeritus of Psychology Lewis Clark State College author of Understanding the Beauty Appreciation Trait Empirical Research on Seeking Beauty in All Things Aesthetic judgments of music are important but poorly understood To the everyday listener they may seem arbitrary or otherwise inexplicable In this book Professor Lundy offers an unashamedly positive view on aesthetic judgments emphasizing their rational nature and showing how various non aesthetic biases that do exist can be minimized The result is a joyful celebration of music science and connoisseurship which is sure to spark further interest and debate on this fascinating topic Professor Patrik N Juslin Music Psychology Group Uppsala University Sweden
