No Time for Tears Lora Wood Hughes,1985-01-01 In her later years while World War II was raging Lora Wood Hughes wrote about her busy and interesting life as a nurse The reissue of *No Time for Tears* long out of print restores her voice to human memory During a career that took her to Hawaii Montana Washington and Canada she never stopped caring for people and some of them would have tried anyone s patience Among her cases described in lively detail here are a stingy dowager and a measles ridden prostitute who causes her to be quarantined in a house of ill fame The crazy patterns of her rich and humane life continued into World War II when instead of resting in her home on Puget Sound she supervised a Red Cross hospital unit

No Time for Tears... Kellee Stone,2007-09 Two factors motivate this unusually inspiring novel based on the true life of Ann Deane Teal The first one being the desperation and despair that this girl next door felt The other is her need for survival Devastating would describe most of the men in her life Her father and three husbands cause immense turmoil that is totally unbelievable for one person to endure Mental and physical abuse murder and drug rings weave an intriguing tale After the murders of her two young children and the ensuing threats on her life by her psychopathic husband she is placed in a mini witness protection program where the FBI encourages her to buy a pistol and trains her to shoot to kill Then a miracle happened Ann Deane thought for the first time that she had died and gone to heaven She had never been happier in her life God had

certainly answered her prayers this time Enter Charlie who turned out to be the love of her life But all good things come with baggage his two grown children Warren and Maria who in the next twenty years never ceased to make her life miserable at times Thank God she had her daughter Mary Kate by her side Two rare life threatening brain surgeries are chief among her many never ending health problems Her unshakable faith in God and her sheer will in the face of adversity is the cornerstone of this book You share her heartaches hopes and her dreams as she struggles to overcome these obstacles This is probably the most inspirational story of the century and a must read for everyone Anna: No Time for Tears Barbara Bailey

Caspersen, Marilyn Bailey Williams, 2021-06-08 This is the story of a young child Anna and the many hardships that she along with her brother and sister who were twins were to face while growing up in down east Maine No child should have to grow up without the love of a mother but at the young age of three Anna was to suddenly without understanding find herself without her mommy Even at three she knew something bad had happened and no one would tell her where her mommy was As she cried for her mommy she clung tightly to her little rubber dolly Although Anna went through a great many hardships and trials along with the rest of the family she never lost her spirit or her spunk This made all the difference to the whole family as they endured the cold and hungry times with less than suitable or adequate clothing with an angry and many times abusive father This is a story that everyone young or old should read as it clearly shows that there is always someone worse off than yourself and that even in the darkest of times light will always follow **From the Ashes of Sobibor** Thomas Toivi Blatt, 1997 Blatt s account of his childhood in Izbica provides a fascinating glimpse of Jewish life in Poland after the German invasion and during the period of mass deportations of Jews to the camps Blatt s tale of escape and of the five horrifying years spent eluding both the Nazis and later anti Semitic Polish nationalists is a firsthand account of one of the most terrifying and savage events of human history Ebony ,1965-04 EBONY is the flagship magazine of Johnson Publishing

joy in life for family friends and neighbors She always had the coffee pot on and time to chat with all who passed thru our yard On one occasion a native family passed through in a horse drawn wagon and the young mother asked for some fresh water Maurine being the kind person she was gave them the fresh water and a jar of fresh cows milk for the infant child Some months later that same young woman thanked Mom again for her generosity Maurine began writing poetry while attending college in 1940 and she continued to write throughout her life Her poetry is highlighted with ideas that came from everyday life the beauties of nature the love of family and community the dedication to farm life in Saskatchewan history politics and war In the 1970 s and 1980 s Maurine and two daughters compiled six volumes of her poetry under the name of Housewife Harmony Volumes 1 through 6 Maurine wrote poetry for some fifty plus years before ill health took away her capacity to write She died in March 1996 without achieving her one great wish to see her poetry published in one complete book This book is the fulfillment of that dream Rather than use Housewife Harmony as a title I have chosen to call the book From the Heart of a Prairie Farm Wife because Mom truly wrote from the heart The following pages will unveil the ability Maurine had in the stroke of the pen

GAZING INTO OUR CRYSTAL BALL W.R. Sharp,2024-04-30 Our philosophies and perils of wisdom related to our lifetime highlights will be shared with the reader in the pages ahead I S L Sharp will adorn the chapters with poetry and song lyrics to enhance our philosophies in our book entitled GAZING INTO OUR CRYSTAL BALL W R Sharp through his written essays stories and philosophies will try to give you a glimpse of his many travels highlights of his science career and stories of his moments with his loved ones which will provide our readers insight into his in depth knowledge And hopefully the stories and expressions of feelings through the reading of my poetry and lyrics will bring happiness and awareness of beauty to our readership As my co author my brother W R Sharp wrote in one of his essays Welcome to the Eighty Teens He too was welcomed to this age by cataracts and dental complications However he felt that these golden years should be celebrated as we gaze into our own crystal ball of life He thinks life is a journey and it is always spinning as if encapsuled in a fortune telling crystal ball It encounters multiple experiences opportunities transitions challenges and obstacles as we march through time toward our

afterlife Nevertheless life can be quite fulfilling and coming of age is a continuous process facing all of us who live a long life In this ball the most important transformations involve coming of age in its earlier stages in one's education career pathway partnerships parenting or mentoring skills of others post careers retirement and facing our afterlife The latter changeover is especially challenging for those without partners and children unless in the crystal ball of life they prospered from self love and independence Fortunately the existence of public and private retirement facilities will accommodate some of these retirees The two of us have always imagined the existence of an afterlife metaverse as we march forward in our lives Optimistically we both hope to be able to learn lessons in the spinning ball from our present lives and accomplishments and in our next life accomplish all of our unaccomplished earthly goals Maybe if you the reader gaze closer at your own life's crystal ball you will see that your life turns out the way it was meant to be whether it is happy or sad Who knows The magic of it all is that you were able to live on this earth for just a blink of an eye no matter what your real life's experiences were on this life altering planet And on the day when you finally transition into the mysterious afterlife a new window of opportunities will unfold for you to explore that will be overwhelming to you At that time you will have the freedom to embrace new possibilities for yourself that were not accessible to you during your existence on this Earth
