One (4) Bassett,2017-06-28 Sometimes life seems unfair but all things Are relevant it all happens for a reason Also in my quest I have found that most of The world have been controlled and manipulated By religious and dogma tied together with the Monitory system and corrupt elected officials Giving false hope and lies to the masses for So long that it is more difficult for people to find Good orderly direction In the process people Have been desensitized to the truth and what Is proper conduct and cower under force of the Few that control the money blindly ignoring the Fact we are slaves in the best plantation on Earth ignoring the fact that the old fashioned Fossil fuel energy system and mining of the Planet of all at any cost is bringing us to Devastation and the only way to stop is to Move to inner peace meditating and receiving Positive creativity and resonating in Compassionate observation of the miracle Returning to a peaceful coexistence of the Forces in a simpler way of living with all Levels of being and harvesting the lesson Learned in this barbaric evolution of so Called modern man and properly use the Technologies and science to repair heal And develop this part of the universe we Find ourselves in That you really are one In the same with the source and all things in it Namaste we are all one Am I Beauti Fully Bro-Ken or Beauti Fully Broke-In? Spidey Williams,2011-12-15 Every time I write my life story it comes out how I feel but not always what I see Every time I look in the mirror it shows me all I can never hide raw uncensored It gives truth to me How many of us have an alias pen name nickname that were known as other than our birth name You dont have to raise your hand or nod your head but at least try to smile even if its hard I was bred raised a Christian but I feel I am less of a man more of a God Every poem I write at least one person like but the ones written in sorrow blood People never forget surprisingly love Its hard for me to bleed externally when Ive been bleeding internally since I was born By age eleven I had 13 wisdom teeth doctors call me extraordinary by 14 I was suspended 15 times in two years statistics called me ordinary By 17 I was brilliant again from publishing my first poetry book result of heartbroken Should have told the witch doctor never heal me shouldve congratulated Cupid for failing again should have went to every wishing well retrieved every penny for my thoughts instead of publishing my first poetry book entitled Poems From The Heart *Fictional Names* Angelo Napolano,2014-10-16 If it is true that when we use a name it must be the name of something what is it that we name when we use terms such as Sherlock Holmes Odysseus and many of the same type What is it we are addressing and how do the referential relations work assuming that we are thinking or talking about something when we use these terms Otherwise if we are speaking about nothing when we use a fictional name how do we understand the linguistic process which gives us the impression of speaking about something This book develops a critical study of some theories which deny any ontological existence to fictional characters It provides an analysis of the contribution of these terms to the meaning of the sentences in which they are used and the structure of thoughts adopted in assertions about fictional characters **ECGBL 2017 11th European Conference on Game-Based Learning** ,2017-10-05 *Hamilton Literary Magazine* ,1911 **Horrors in the Night**
