Oceans Deep Hillsong:

The Hillsong Movement Examined Tanya Riches, Tom Wagner, 2017-11-02 This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church Hillsong is one of the most influential visible and in some circles controversial religious organizations movements of the past thirty years Although it has received significant attention from both the academy and the popular press the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement or its implications for the social cultural political spiritual and religious milieus it inhabits This volume begins to redress this by filling important gaps in knowledge as well as introducing different audiences to new perspectives In doing so it enriches our understanding of one of the most influential Christian organizations of the late 20th and early 21st centuries Exploring Sexuality and Spirituality

, 2020-10-20 The wide spectrum of links and interrelations found amongst the diversity of human sexual expressions and spiritual practices around the world constitutes one of the most fruitful grounds of scholarly research today Exploring Sexuality and Spirituality introduces an emerging academic field of studies focused on the multiplicity of problematizations intersecting spirituality and sexuality from eroticism and ecstasy embodiments to inner spiritual cultivation intimate relationships sex education and gender empowerment This collection of essays addresses subjects such as prehistoric art Queer Theology BDSM Tantra the Song of Songs la petite mort asceticism feminist performative protests and sexually charged landscapes among others Through varied methodologies and state of the art interdisciplinary approaches this volume becomes highly useful for readers engaged in the integration of scholarly and practical knowledge **Ocean of Love, or Sea of Troubles?** Geoffrey Harris, 2016-12-22 The title of Dr Harris book suggests that life is like a two sided coin it can be an Ocean of Love but can also be a Sea of Troubles The subtitle clarifies this paradox first there are many signs of God s reality and activity in the world and the first section of the book examines ways in which people are aware of God as both a creative and immanent presence in life The signs of God are not philosophical proofs but empirical realities accessible to all people In the second section the biblical responses to suffering in the world are explored through both Old and New Testaments In the third section the writings of two modern apologists C S Lewis and Philip Yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives **When Oceans Roar** Ernest F Crocker, 2016-10-07 When Oceans Roar tells the remarkable stories of people who heard the still small voice of God and saw God do amazing things when they took God at his word and surrendered themselves to him The stories told in this book represent roads that few people would have chosen Yet having said yes to God and taken the first step each one was strengthened empowered and equipped for the journey ahead It includes the story of a couple who prayed over their child who had no heart beat for three days in the sure knowledge that God would meet them at their point of need and of a Bangladeshi freedom fighter taken before a firing squad only to learn that God had a plan for his life This is a book that will

challenge you to find your true identity and having done so to step out of complacency and take risks in the sure knowledge that God will never leave you or forsake you as you surrender yourself to him Be inspired to listen out for the still small voice of God above the ocean s roar Sex, Lies and Your Soul Ruth AJ Havbird,2020-12-15 My book encapsulates information about how lies can ruin lives and also may lead to possible death There are many weaknesses in a humans life and to err is human There are many reasons to be promiscuous but one of the reasons for a promiscuous life is if you have a weakness in your life that makes you vulnerable I believe there are two ways to get sexually active or turned on One way is through two people who are attracted to each other coming together and touching The other is by the influence of a sexual stimulant Something as simple as unwanted sexual stimulant could lead to a promiscuous life which again may or may not lead to sexually transmitted disease consequently leading to death I hope this book is enlightening and helpful to the reader

John,2017-11-14 We all have just one life One that may be too short lived for some and yet seemingly too long for others But one that come its end will undoubtedly abound with tales and truths of things gravely gotten and people greatly given This is one such story Which in truth is probably the same story that's been told a thousand times before About things that always have been and always will It is a love story An uninhibited exposition of infinite love that beckons the answers to some of the questions common to us all And ultimately offers an understanding of a belief that in the beginning and the end it is not and is not to be taken but rather love is given Borders of the Heart Connie Longworth,2023-08-22 There is something

beautiful about finding our roots knowing who we are and understanding our cultures It is freeing it is growth it is peace Borders of the heart a memoir about being a Latina born in Columbus Ohio to a Mexican mother and a German American father who were divorced when she was just a baby Raised in a Mexican culture and experiences both in Mexico and in the U S She shares her insights into what we carry generationally and how we can embrace our families and be spiritually reconciled An unbelievable journey that offers peace and understanding "Why God?" Darren Frame,2022-09-30 Many

difficult Why God questions accompany the loss of a child or loved one Frame writes from the rational spiritual perspective of a Christian father who unexpectedly lost a 20 year old son His goal is to help readers reset perceptions and expectations about who God is what happens in death and what God's promises actually are related to suffering and grief Where existing books and resources fall short and may fail to speak effectively to the heartbroken Frame's bold questioning approach and conversational voice target and reach grieving readers where they are in the unpredictable journey of loss Nana's

ballyhoo tattoo Marthella Venter,2020-04-28 My motto in life is I am not beautiful like you I am beautiful like me If I have to think back to my school days I always think of myself as the queen of the bitches I was a snob deluxe and looked down on other people But I always say but God While I never knew Him during my early years He NEVER left me This is my story how I saw things through my brokenness The purpose of this book is for people to see that our Father can use any ordinary person and that although your life feels normal it is full of His Goodness and Grace My story is how He prepared me for my

purpose for which He created me Each of us has a unique purpose so each of us has a unique story As you read my life story look at your own life and see the Goodness and Love of our Father in it You will also be able to see why He created you and how He is preparing you for your purpose For this time this place these people His Hand is in everything before He created everything He had me in mind for my unique purpose as well as for you think about that In my opinion people can sometimes be so super spiritual that they forget to live I know because I was also there Your life is the platform that the Lord uses to prepare you for your purpose it is part of your destiny Life is like a patchwork blanket Some of the pieces are colorful other paper thin and torn some dull and others beautiful with embroidery Wonderfully made and beautiful At first I just wanted to tell you the ugly but as I ve been thinking about my life lately I ve realized that it would be unfair to do so so I decided to tell the good the bad and the ugly And the funny The Lord also gave us a sense of humor and I Luv it There are many good times I think the Lord sometimes giggles when He thinks of my past Hope that you ll enjoy my journey enjoy *Uncareful Lives* Jim Albright,2015-05-21 Come Jesus Christ Matthew 14 29 It s God s invitation into the uncareful life a life of courageous faith Come and see how awesome He is Come and see who you re supposed to be Christian our God is God You can do all He says because He will do all He says He is your license to live your faith as big as you dare He is your liberty to embrace a life big with God pleasing God encountering faith He is your freedom to wholeheartedly engage in fully persuaded never look back no risk is too great glad fearless joy obedience Come on you know you want to You know you ve always wanted to ever since you heard Him whisper Follow Me What are you waiting for Whatever it is it s a lie Warning Reading this book can be hazardous to your health And your wealth And your plans And more Read it and you may find that you begin to live a more uncareful life for the glory of God Don Whitney *The Power of Love: my victory over breast cancer* Karla Icaza,2017-02-02 When I was diagnosed with breast cancer almost immediately I thought I should write a book about my experience I began to write a few days after my surgery when I was at home recovering It is a book written while I battled the disease Since I wrote it while things were happening on its pages I poured my heart In it are my weaknesses and my strengths Is a book that provokes many emotions to cry to laugh to reflect I included photos that illustrate many of the things I talk about There are testimonies of my husband my children and other relatives where they reflect the way they handled the battle It is a book that conveys the love of God and the love of family and friends who accompanied me throughout my process A book inspired by the Holy Spirit I could not have written it without His help It is my desire that every person who reads it receives hope peace love and faith to face any difficult circumstances and experience God s embrace **Keeping My Mind** Adrian Peel,2016-03-24 This book is intended for anyone who has questions about their life experience that are causing them inner dissatisfaction Spiritual people sometimes face this because they cant make sense of apparent inconsistencies between what they expect from their faith and what they experience in the practical world Secular people may face a similar type of inner dissatisfaction because external success fails to bring them the type of joy they expect The writing method uses auto

ethnography a reflection on Adrians personal experience as he connects his story to wider understandings of the way life works While his Christian worldview is central to the book its emphasis is on the process So readers are encouraged to evaluate the process and models presented but to insert your own life experience against them for the best benefit
