

Homeobox and Hox Genes

(with thanks to Jennifer Harrison)

- Hox genes *are* homeobox genes as they contain the homeobox, but homeobox genes include Hox genes, ParaHox genes etc.
- **The terms are *not* interchangeable.**
- Scientists discovered that there are some genes that contain a very **conserved region of DNA** we now call the homeobox. When I say very conserved, I mean it. You have homeobox genes, the birds outside do, the grass outside does... even yeast does.
