

Apollo 13 Report

For this assignment, you will write a two page report (minimum) describing the events of the Apollo 13 mission that took place in 1970. Use the Internet to research this mission. Your report should include the following information:

- What were the dates of the Apollo 13 mission?
- What were the different parts of the Apollo spacecraft?
- What were the names and ranks of the astronauts involved?
- What was the specific purpose of the Apollo 13 mission?
- Where were the Apollo astronauts supposed to land on the moon?
- What was the malfunction that caused the mission to fail?
- What were some of the major problems faced by the astronauts as a result of the malfunction?
- What did the astronauts have to do to get back to Earth safely?
- Any other information that you would like to include.

Also, since this is a research paper, your report should have a separate bibliography page listing the websites that you used to find your information.

On the back of this page, you will find the rubric that will be used to grade your report. **READ IT!** This assignment will be worth a test grade (100 points). 10 points will be deducted for every day that it is late.
