Be the person in your class to write the paper that achieves the A. Follow this easy and interesting process to authentically document your work. This reader-friendly text and step-by-step process will help you set and achieve short and long-term goals as you learn how to pick a topic and narrow it, use library resources and search engines, take notes and summarize, paraphrase and directly quote without plagiarizing. Learn a new way to read, be a spider. Create a challenging and defensible thesis, craft an intriguing introduction, control opposing viewpoints, outline your evidence, and draft, peer and self-evaluate, and publish a superb product. Read a helpful essay on avoiding fallacies of logic while laughing yourself silly. Further develop your own writing style within the accepted writing conventions and learn how to analyze and apply appropriate tone. Rules for the most common citations are given, MLA 7th Edition, with examples including internet sources. Resources are included for word use, listing 200 ways to say, say, and transitional words organized by their function to move smoothly from one idea to the next. A sample paper, sample outlines, and sample Works Cited pages are included. Mrs. Blandford has carefully and creatively provided a book that is a guaranteed recipe for success in writing research papers. Not only did I do extremely well on my first research paper by using this book, but now whenever I have a writing assignment, I refer to this book as a guide. It teaches the skills needed to construct and accomplish a successful research paper and provides knowledge that can be used to process massive amounts of information in our knowledge-driven world. It truly is a valuable asset in my life. I would recommend this well-crafted book to anyone who wants to succeed in writing a research paper and writing overall.
