The Holy Spirit, or, Power from on high A.B.

Simpson,1959 The Holy Spirit or Power from on high an unfolding of the doctrine of the Holy Spirit in the Old and New Testaments Part I The Old Testament *Christ's Object Lessons* Ellen Gould White,1930 In this age when the study of nature is receiving so much attention the teachings of Christ from the things of nature form an interesting addition to the bibliography Both young and old will nd pleasure and pro t in reading this comment upon Christ s Parable s **The Holy Spirit** Dr. Tommy W. Griffin,2019-01-01 The Spirit of Christ is the third person of the Trinity having the same essence of deity as Jesus and as perfectly one with him as he is with the Father and helper one literally called alongside to help to encourage and to exhort Jesus says this comforter will take up residence in the believer The title Spirit of Truth means that the Spirit is the source of truth and communicates the truth to his own John 14 26 16 12 15 Apart from him men cannot know God s truth 1 Corinthians 2 12 16 1 John 2 20 27 *The Holy Spirit* Dr. Brian J. Bailey,2014-01-05 The Comforter is not simply another book on theology but a very practical and useful guide for finding a pathway into the Spirit filled and Spirit led life Those who desire to intimately know and experience the Holy Spirit will be blessed as they read Dr Bailey s discussion of seven aspects of the Holy Spirit The Person of the Holy Spirit The Ministry of the Holy Spirit The Seven Spirits of the Lord The Baptism of the Holy Spirit The Nine Gifts of the Spirit The Nine Fruits of the Spirit The Spirit filled and Spirit led Life The Sunday-school World: an Encyclopaedia of Facts and Principles ... on Sunday-school Matters James Comper Gray,1871 The Holy Spirit Robert Augustus Walton,1904 The Holy Spirit Seminar Harold K. Penninger,1995 This collection of Holy Spirit Seminars include Personality and Divinity of the Holy Spirit The Holy Spirit in the Old Testament and Symbols of the Holy Spirit **Rediscovering the Holy Spirit** Michael Horton,2017-04-25 For the Spirit being somewhat forgotten is an occupational hazard The Holy Spirit is so actively involved in our lives that we can take his presence for granted As they say familiarity breeds contempt Just as we take breathing for granted we can take the Holy Spirit for granted simply because we constantly depend on him Like the cane that soon feels like an extension of the blind man s own body we too easily begin to think of the Holy Spirit as an extension of ourselves Yet the Spirit is at the center of the action in the divine drama from Genesis 1 2 all the way to Revelation 22 17 The Spirit s work is as essential as the Father s and the Son s yet the Spirit s work is always directed to the person and work of Christ In fact the efficacy of the Holy Spirit s mission is measured by the extent to which we are focused on Christ The Holy Spirit is the person of the Trinity who brings the work of the Father in the Son to completion In everything that the Triune God performs this perfecting work is characteristic of the Spirit In Rediscovering the Holy Spirit author pastor and theologian Mike Horton introduces readers to the neglected person of the Holy Spirit showing that the work of God s Spirit is far more ordinary and common than we realize Horton argues that we need to take a step back every now and again to focus on the Spirit himself his person and work in order to recognize him as someone other than Jesus or ourselves much less something in creation Through this contemplation we can gain a fresh dependence on the Holy Spirit in every area of our lives The Holy Spirit and Christian Service John Dundas

Robertson,1901 The Three-fold Secret of the Holy Spirit James Henry McConkey,1897 TRAILING THE BLOODY FOOTPRINTS Donald Craig Miller,2019-03-01 Trailing the Bloody Footprints Danger is Detective Jake Jezreel s business In the first century AD Jake s profession as a private detective makes him a rare breed Jake lives in the very large shadow of his famous detective father who has provided investigative services for King Herod and more recently for the Romans Making a name for himself as a detective is all important to Jake to live up to his renowned father s reputation As Jake sits at his desk one fateful day a very politically powerful client comes to hire him From that moment on Jake is plunged into the supreme case of his life when he is hired by the pompous self righteous Jerusalem Pharisee named Obadiah The Pharisee wants Jake to dig up as much dirt as possible about a dangerous and mysterious troublemaker named Jesus of Nazareth After listening to the charges leveled at Jesus by Obadiah Jake accepts the case The next day the adventure of his life begins as Jake accompanies a group of Pharisees who are traveling to Galilee to investigate firsthand the disturbing rumors about the mysterious Jesus From this point on Jake is swept up into the swirling onslaught by the religious leaders to crush Jesus The investigation comes to an explosive apex when a major conflict detonates between Jesus and the Pharisees when the Nazarene heals a man on the Sabbath The enraged Pharisees immediately begin plotting how they can murder Jesus Jake realizes he has been dragged into this vicious vendetta against Jesus by the powerful religious leaders And he can feel their icy fingers clutching at him like a pawn of their malicious political machine How will Jake proceed in his investigation knowing that Jesus is innocent of any crimes and is the target of the deadly religious political machine What can he do to protect this good and godly man he has been hired to destroy The religious leaders want results from their detective They are squeezing him hard to deliver the incriminating clues they salivate for Only a final unimagined finish can answer these frightful questions **Span** ,1921 *The Search For the Mysterious Second Adam* Donald Craig Miller,2023-06-14 First century Private Detective Jake Jezreel has been thrown into a confusing investigation Wealthy and well connected Pharisees have hired the detective to track down a mysterious character they claim is dangerous Their accusation stems from their assessment that the mystery man is forming an army of ravenous followers They believe that this rebel leader wants to overthrow the Jewish government Then in succession he and his army would topple the Roman strangle hold on Israel The Pharisees fear that such an insurrection would completely destabilize the country The Romans would counter attack with devastating consequences Jake must figure out a way to defuse this volatile situation before it blows up in his face And the heat in the investigative cauldron stoked by the religious leaders is boiling hotter and fierier Jake begins to realize that he has been swept up into the middle of a vicious blood vengeance against the rebel Jake is trapped in the middle It is quite apparent that the religious leaders are demanding that he must do their bidding no matter what the cost And Jake can feel their icy fingers clutching at him forcing him But Jake is shocked by another startling fact jumping out at him in the midst of his initial investigation Tangled up in all the twists and turns of his fact finding probe the detective uncovers a disturbing

truth Flying in the face of everything he had ever been taught Jake unearths indisputable evidence that there was not just one Adam There were two There was a Second Adam How can he explain that to the religious leaders The religious leaders want results from their detective They are squeezing him hard to deliver the incriminating facts they salivate for How can Jake reveal all the disturbing facts he has uncovered to the vengeful religious leaders He s discovered only good and marvelous evidence about the rebel And now the undeniable truth that there actually was a Second Adam What dire consequences will come crashing down upon Jake when he unloads his final report upon the religious leaders Only a shocking unimaginable conclusion can answer that fearsome question
