Illegals Darrell Ankarlo, 2010 Darrell Ankarlo shares what he learned about the plight of illegal immigrants trying to cross the Mexico American border while journeying through the deserts and towns of Mexico talking to immigrants border guards and people who escort Mexicans across the border illegally *Department of Homeland Security Appropriations for 2009* United States. Congress. House. Committee on Appropriations. Subcommittee on Homeland Security, 2008 *Department of Homeland Security Appropriations for 2009, Part 2, February 13, 2008, 110-2 Hearings, **, 2008 **Another Man's Sombrero** Darrell Ankarlo, 2008-06-10 Not since the Civil War has America been so divided over such a seemingly unsolvable issue as U S immigration policy The president and congress are at an impasse while vigilante groups patrol our nation s borders looking for one of the million yearly invaders Why are 20 million people disregarding America s sovereign borders and laws to come to this country Popular radio host Darrell Ankarlo follows the lives of several Mexican citizens as they contemplate their existence south of the border their temptation to sneak into America and what waits for them here To understand the issue first hand Ankarlo stared down gun barrels was caught in the middle of a drug lord showdown and then wandered the Arizona desert after illegally sneaking back into America Another Man s Sombrero explores issues raised by these personal stories and offers perspectives often contradictory from U S citizens *Latino Politics and Arizona's Immigration Law SB 1070* Lisa Magaña, Erik Lee, 2013-03-25 Arizona has one of the fastest growing communities of Latino immigrants in the United States In response to accusations that the Federal government was hampering the immigration enforcement actions of Arizona police state Senator Russell Pearce introduced the Support Our Law Enforcement and Safe Neighborhoods Act Better known as SB 1070 the policy allows police officers in Arizona to arrest unauthorized immigrants under the state s trespassing law The law also gives officers the latitude to question and detain those that may appear suspicious which may simply mean that they appear Latino Under the State s statute immigrants can also be criminalized for their mere presence in Arizona The bill was signed into law on April 23 2010 which generated a number of immensely complex issues at the local national and international level The measure has affected an already problematic U S Mexico bi national relationship at a time of increased security cooperation between the two countries Furthermore former the President of Mexico has criticized the law issuing travel advisories and as a sanction trade between Arizona and Mexico has been reduced Elected officials across the country called for a variety of economic boycotts and campaigns that would discourage the full implementation of the law Over fifteen major cities have ended business contracts with Arizona The State tourism industry has lost almost one billion dollars in less than six months as a result of this policy This book examines a variety of issues and consequences of SB 1070 at the local national and international level It provides timely research and analysis on a topic not previously examined and from a variety of inter disciplinary approaches making it of interest to political scientists and policy makers alike Neighborhoodly Adversaries Michael J. less violent crime than the native born and that their presence in communities is not associated with higher crime rates Punishing Immigrants moves beyond debunking the presumed crime and immigration linkage broadening the focus to encompass issues relevant to law and society immigration and refugee policy and victimization as well as crime The original essays in this volume uncover and identify the unanticipated and hidden consequences of immigration policies and practices here and abroad at a time when immigration to the U S is near an all time high Ultimately Punishing Immigrants illuminates the nuanced and layered realities of immigrants lives describing the varying complexities surrounding immigration crime law and victimization Latin American Regional Reports ,2005
