## **Report Of The Panel On Un Peace Operations:**

**Report of the Panel on United Nations Peace Operations** , The United Nations presents the 2000 Report of the Panel on United Nations Peace Operations The panel offers recommendations for reforming the structures and management of the UN peace operations The UN offers an executive summary a summary of the recommendations the full report a list of panel members press releases and fact sheets

**International Organizations and Military Affairs** Hylke Dijkstra, 2016-02-05 From the UN Department of Peacekeeping Operations to the NATO International Staff and the European External Action Service international bureaucrats make decisions that affect life and death In carrying out their functions these officials not only facilitate the work of the member states but also pursue their own distinct agendas This book analyzes how states seek to control secretariats when it comes to military operations by international organizations It introduces an innovative theoretical framework that identifies different types of control mechanisms The book presents six empirical chapters on the UN NATO and EU secretariats It provides new data from a unique dataset and in depth interviews It shows that member states employ a wide range of control mechanisms to reduce the potential loss of influence They frequently forfeit the gains of delegation to avoid becoming dependent on the work of secretariats Yet while states invest heavily in control this book also argues that they cannot benefit from the services of secretariats and keep full control over outcomes in international organizations In their delegation and control decisions states face trade offs and have to weigh different cost categories the costs of policy administrative capacity and agency loss This book will be of interest to scholars postgraduates and officials in international organizations and national governments dealing with questions of international political economy security studies and military affairs

**The Reform Process of United Nations Peace Operations** Chang Li Lin, Nassrine Azimi, 2022-10-24 In March 2000 the United Nations Secretary General convened an international panel to conduct a major study on United Nations Peace Operations Chaired by former Algerian Foreign Minister and current Under Secretary General Lakhdar Brahimi the Panel was tasked to conduct a wide ranging study and analysis over lessons learned from past operations such as those in Rwanda and Somalia as well as current missions in Kosovo East Timor and the Democratic Republic of the Congo The Panel looked at how peacekeeping missions could achieve greater efficiency and success in attaining the key objectives of maintaining peace and promoting reconciliation and reconstruction It also reviewed the context within which peacekeeping missions took place the resources and limitations of the United Nations Department of Peacekeeping Operations DPKO specifically and the modality efficacy and extent of assistance rendered by the international community within the framework of peacekeeping and peace building in general The fifth in a series of conferences organised on lessons learnt from peacekeeping operations was held under the auspices of the United Nations Institute for Training and Research UNITAR the Institute of Policy Studies IPS of Singapore and the Japan Institute of International Affairs JIIA Throughout two intense days in Singapore in April 2001 an eminent group of academics government

officials representatives of international organisations representatives from ongoing UN Missions and military scholars gathered behind closed doors to reflect upon the recommendations of the Brahimi Report and the obstacles to reform of peacekeeping This volume contains all the papers presented at that event It also includes the Co Chairs Summary and Recommendations The Report is a summary of the many animated debates that took place during the conference Recommendations of the Co Chairs have been drawn from the broad range of opinions and insights from the conference The findings and reactions of the participants to the Brahimi Report should give policy makers researchers and international affairs analysts a candid review and critique of past experiences that is essential to the comprehension of the failures of current peacekeeping and requirements for future success *UN Peace Operations and International Policing* Charles T. Hunt, 2014-09-15 This book addresses the important question of how the United Nations UN should monitor and evaluate the impact of police in its peace operations UN peace operations are a vital component of international conflict management Since the end of the Cold War one of the foremost developments has been the rise of UN policing UNPOL Instances of UNPOL action have increased dramatically in number and have evolved from passive observation to participation in frontline law enforcement activities Attempts to ascertain the impact of UNPOL activities have proven inadequate This book seeks to redress this lacuna by investigating the ways in which the effects of peace operations and UNPOL in particular are monitored and evaluated Furthermore it aims to develop a framework tested through field research in Liberia for Monitoring and Evaluation M E that enables more effective impact assessment By enhancing the relationship between field level M E and organisational learning this research aims to make an important contribution to the pursuit of more professional and effective UN peace operations This book will be of much interest to students of peace operations conflict management policing security studies and IR in general **The Oxford Handbook of International Organizations** Jacob Katz Cogan, Ian Hurd, Ian Johnstone, 2016 This text provides an authoritative account of the law and politics of international organisations Looking at the role function and history of organisations it offers a wide ranging and thorough analysis of the area International Peacekeeping Boris Kondoch, 2017-05-15 Peacekeeping has been the technique most frequently used by and associated with the United Nations to end conflicts and to preserve peace In addition international and regional organizations have also performed peacekeeping functions Since the establishment of the first UN peacekeeping mission UNEF I in 1956 international lawyers have raised questions about the legal aspects of these operations Traditionally they analyzed the constitutional basis for peacekeeping and tried to allocate the authority under the UN Charter for peacekeeping among the Security Council the General Assembly and the Secretary General They discussed the use of force by peacekeepers the applicability of international humanitarian law as well as the responsibilities and liabilities of peacekeepers Since the end of the cold war peacekeeping operations have become more complex In the first forty years peacekeepers functioned mainly as buffer zones between warring parties and monitored cease fires Nowadays they are increasingly

engaged in internal rather than international conflicts and perform a multitude of tasks Among others they act as civilian administrators oversee elections and monitor human rights These changes have raised new legal problems Which human rights obligations exist for peacekeepers Do peacekeepers have to intervene if they witness war crimes and acts of genocide How are they protected under international law What is the legal framework of UN administrations like in Kosovo and East Timor In order to enhance a better understanding of these legal issues arising from peacekeeping operations a collection of articles written by the leading experts in the field have been compiled in the volume *International Peacekeeping UN Peacekeeping Operations and the Protection of Civilians* Conor Foley, 2017-09-07 Appendix C UN Security Council and General Assembly Resolutions and Presidential Statements UN Security Council Resolutions UN General Assembly Resolutions UN Security Council Meetings and Presidential Statements Bibliography Books Academic Articles and Opinion Index

**UN Peacekeeping in Lebanon, Somalia and Kosovo** Ray Murphy, 2007-05-10 The concept of UN peacekeeping has had to evolve and change to meet the challenges of contemporary sources of conflict consequently peacekeeping operations have grown rapidly in number and complexity This book examines a number of issues associated with contemporary multinational peace operations and seeks to provide insights into the problems that arise in establishing and deploying such forces to meet the challenges of current conflicts The focus of the book is three case studies Lebanon Somalia and Kosovo involving a comparative analysis of the traditional peacekeeping in Lebanon the more robust peace enforcement mission in Somalia and the international administration undertaken on behalf of the international community in Kosovo The book analyses the lessons that may be learned from these operations in terms of mandates command and control use of force and the relevance of international humanitarian and human rights law to such operations

**Holding UNPOL to Account** Ai Kihara-Hunt, 2017-03-06 Ai Kihara Hunt s *Holding UNPOL to Account* Individual Criminal Accountability of United Nations Police Personnel analyzes whether the mechanisms that address criminal accountability of United Nations police personnel serving in peace operations are effective and if there is a problem how it can be mitigated The volume reviews the obligations of States and the UN to investigate and prosecute criminal acts committed by UN police and examines the jurisdictional and immunity issues involved It concludes that these do not constitute legal barriers to accountability although immunity poses some problems in practice The principal problem appears to be the lack of political will to bring prosecutions as well as a lack of transparency which makes it difficult accurately to determine the scale of the problem

**Peacebuilding** Rob Jenkins, 2013 The emergence of The United Nations Peacebuilding Commission PBC in 2005 was the culmination of a long and contentious process In this work Rob Jenkins provides a concise introduction that traces the origins and evolution of peacebuilding as a concept the creation and functioning of the PBC as an institution and the complicated relationship between these two processes Jenkins discusses how continued contestation over what exactly peacebuilding is and how its objectives can most effectively be achieved influenced the institutional design and de facto functioning of the PBC its

structure mandate and origins He then moves on to examine the peacebuilding architecture in action and analyses the role that the PBC has carved out for itself reflecting on the future prospects for the organization The theory and practice of peacebuilding has assumed increasing importance over the last decade and this work is essential reading for all students of conflict resolution peace studies and international relations

### **Long-term Conflict Prevention and Industrial**

**Development** Ralf Bredel,2021-10-25 *The Law of Armed Conflict and the Use of Force* Frauke Lachenmann,Rüdiger Wolfrum,2017 This volume collects articles on the law of armed conflict and the use of force from the Max Planck Encyclopedia of Public International Law to facilitate easy access to content from the leading reference work in international law The Privatization of Peacekeeping Lindsey Cameron,2017-10-19 Private military and security companies PMSCs have been used in every peace operation since 1990 and reliance on them is increasing at a time when peace operations themselves are becoming ever more complex This book provides an essential foundation for the emerging debate on the use of PMSCs in this context It clarifies key issues such as whether their use complies with the principles of peacekeeping outlines the implications of the status of private contractors as non combatants under international humanitarian law and identifies potential problems in holding states and international organizations responsible for their unlawful acts Written as a clarion call for greater transparency this book aims to inform the discussion to ensure that international lawyers and policy makers ask the right questions and take the necessary steps so that states and international organizations respect the law when endeavouring to keep peace in an increasingly privatized world

*United Nations Peace Operations and Human Rights* Sylvia Maus,2020-08-10 In United Nations Peace Operations and Human Rights

Normativity and Compliance Sylvia Maus offers a comprehensive account of the human rights obligations of United Nations peace operations with a dual focus on the applicability and the content of UN peace operations human rights obligations

Selected case studies show a triad of human rights gaps a protection gap an accountability gap and a remedy gap Going further than purely legal studies on the subject Maus makes use of international relations theory and addresses considerations of reputation and legitimacy as reasons for non compliance with human rights by the UN Based on this interdisciplinary approach she convincingly proposes ways for enhancing human rights compliance in UN peace operations

**Partnership Peace Operations** Hideaki Shinoda, 2024-04-09 Partnership is a key concept in contemporary international peace operations There is no universal model of peace operations in contemporary international society Ad hoc arrangements of partnership between the United Nations and various regional organizations are consequences of the complex circumstances of international security The ways in which partnerships are organised differently in different regions reflect each region s distinctive security situation The universal nature of liberal peacebuilding is thus maintained only by ad hoc arrangements All the UN peacekeeping operations in Africa have some partnership linkages with regional or sub regional organizations ranging from the African Union AU and regional mechanisms to the European Union EU What are the conditions and characteristics that enable or lead to partnership peacekeeping in Africa How should we understand lower levels of partnership peacekeeping in other regions By highlighting key characteristics of partnership peacekeeping the book explores these issues and argues that partnership is a reflection of political circumstances The book provides an unexplored but critical perspective to understand the contemporary world for those who study International Relations Security Studies International Organizations and Peace Studies
