a guide to completing the Residence Application (INZ 1000)

About this guide

This guide is intended to help you complete your Residence Application (INZ 1000) correctly. It explains the evidence you must provide when applying for residence.

You should read this guide along with the Self-Assessment Guide for Residence in New Zealand (INZ 1003), which sets out the instructions requirements for people applying for residence in New Zealand.

Please take time to read this guide carefully, and refer to it when completing your application form.

Numbered boxes like this **88** refer to questions in the application form. Please make sure you answer all the relevant questions and provide all the documents we ask you to, otherwise we may not be able to accept your application. If you are applying for residence while you are in New Zealand on a visitor, work or student visa, you need to make sure your visa is valid when you apply for residence.

Help us to decide your application quickly by:

- reading this guide carefully, and
- providing all the required documents with your application form.

For more information and application forms visit our website at www.immigration.govt.nz.

Who is this guide for?

For use by applicants applying for residence class visa under the:
