Resisting Satan And His Deception:

Resisting Satan and His Deception Cary White, 2014-11-22 We as Christians need to get away from the teaching that Satan has no power or that he is a lion that has no claws and no teeth This is exactly what Satan would want you to believe Satan is a liar and the master of it he has deceived all of us at one time or another proof of this is the fact you came to Christ if he had never deceived us then we would have always been with Christ but this is not the case our eyes had to be opened and the message of the Gospel had to be received in order to bring us to the truth Satan has always been deceiving us he makes us believe some sins are not sins or that some truths are not really true He has so cleverly changed media to influence the minds of many He has brought up a new generations that has no understanding of how the family structure is what keeps nations together He has even made most of us Christians to gossip about other people s struggles so that we don t have to look at our own sin The worse thing Satan has done is change the very definition of sin so that some of us don t think we sin at all For example I know people who will attack Christians and gossip about them because they smoke cigarettes now I am not saying that cigarettes are of God but I can tell you one thing the scriptures states that gossip is an actual abomination to the Lord yes an abomination so here we are as representatives of Jesus Christ committing what the Word of God says is an abomination in order to bring negative attention to someone about something the scriptures say nothing about Oh my dear loved ones Satan is alive and well and he has mastered us as his puppets **Jesus is Coming** Ingrid Kirindongo, 2014-04-09

Fredericks,2017-04-27 How does God manage his entire creation Has he had a plan a theme a metanarrative or something else which he follows that gives a unity to all of his efforts Shepherds describes the relationship between the Creator and his creation a relationship that is structurally integrated by the very core of who God is There is a design within creation that radiates from his personal unique being What God created and how he manages it is a marvelous extension of who he is and how he acts This relationship between God and his creation is not patterned only on his essence or being but on his powerful and loving will and acts Rather than a literary grid to which theme and metanarrative attempt to subject God s relationship with humanity Shepherds recognizes that all of creation bears the eternal design emanating from God s very nature Scripture is not a story about Israel or the church it is not simply a story of redemption it is a window into the eternal design by which God created reality and will eternally sustain that creation **Communion of Love** William Dewberry,2014-07-31

Fighting in God's Living Room Larry Thompson, 2020-12-04 This book is the maiden book in the mini book series entitled Highway to Christ appertaining to the Kingdom of Almighty God his Son Jesus Christ and the Holy Spirit. Specifically this book is about the Origin of All Warfare both in heaven and on earth. Essentially the narrative within this book details the diabolical deceptive deadly corrosive and corrupting influence by Lucifer upon holy angels morphing them into demons. Lucifer through deceit lying and conspiratorial coup d'etat caused angelic usurpation against their Divine Creator. The culmination of these reprehensible actions resulted in warfare throughout all realms of God's holy creation including in heaven and on earth. Furthermore readers will be able to understand from a biblical perspective the unimaginable sinister motives and tragic eternal consequences for angelic rebellion i.e. why how when who where and reasons Satan instigated demonic rebellion inside God's Living Room. Also this book will show or provide spiritual insight to all readers God's road map for quelling spiritual rebellion and mystical as well as terrestrial warfare throughout heavenly and earthly hemispheres once and for all from a biblical perspective. Summarily it will display the divine providence of a Loving God's provisional open invitation to all who will accept his love mercy and grace to live eternally in peace and harmony via salvation in his Only Begotten Son the Lord and Savior Jesus Christ inside God's Living Room.

Infamous Eve May Sinclair, 2007-04 Unlike those who are expected to place their hand on its cover and make an oath the Bible does not tell the truth the whole truth and nothing but the truth. The biblical authors only told theirs. Even the women actually named are remarkably silent making it easy to believe whatever has been said about their lives throughout the ages. The biblical story of Eve impacts modern society on both a conscious and subconscious level. Are you aware that the authors of the Garden of Eden creation narrative were greatly influenced by the Persians in the fifth century BCE maybe even taking the basic story from them. Did you know Adam had a wife prior to Eve the equality demanding Lilith. Do you think it is possible for a single mother to have populated this planet. It is well past the time for all of this to be common knowledge. Infamous Eve includes many legends stories and folktales even that of Eve also being the snake in the Garden of Eden but first May Sinclair delves into the genetically induced response that has been handed down as a physical emotional and psychological inheritance to modern people. She rips open the seams of the historical records to see the weave of the religious economic and political threads that have endlessly rolled out the same pattern of notions about Eve and her daughters.

The Leadership Series Rayola Kelley, 2013-05 The three books that make up the Leadership Series were written after my friend and co laborer in the Gospel Jeannette Haley pointed out that there seemed to be much confusion surrounding godly leadership in the kingdom of God The main reason for this confusion is that many Christians consider leadership according to the world s standards Jesus even warned His followers in Matthew 20 24 27 that there is a vast difference between what the world considers to be greatness in leadership and how the kingdom of God regards leadership that is marked with the excellence of greatness As this book illustrates true leaders in God s kingdom are not born rather they are forged In order to effectively bring forth a leader such individuals must learn to recognize that which hinders them and overcome these enemies Obviously a leader cannot lead others where he or she has not yet walked The first book Overcoming addresses the true enemies of the cross of Christ and reveals that they do not always come from without Many such hindrances prove to be nothing more than moral deviations that are present in our character Therefore the first book identifies the true enemies of the Christian life and brings insight into what it takes to overcome each enemy Great leaders also understand how authority and power are to influence and work in their lives The second book A Matter of Authority and Power reveals that real leaders recognize true authority and understand how power is to be used to carry out their responsibilities This book will undo any misconceptions about these two subjects and will produce the sobriety that must be present when it comes to possessing the quality of true leadership in the kingdom of God The final book The Dynamics of True Leadership follows the lives of the great leaders of the Bible This book reveals the type of soul each leader possessed It explains the choices these leaders made and how it impacted the kingdom of God
