Dear Seniors,

With the ACT test round the corner, the pressure to perform must have started to mount. But this is the time when you need to be calm and collected and only try to give your best shot. Don't let any kind of pressure get to you. You must only concentrate on your studies but it's important to take breaks.

Believe that you are not defined by a number. The ACT test is indeed important but it is not the end of the world. You must study your best and leave rest in God's hands and you will surely pass out with flying colors.

This test itself is not going to define how your life or career will turn out. There is a long way to go. Your graduation stream should depend on your interests irrespective of the ACT score. Sometimes, people end up working in a different field altogether unrelated to their graduation stream.

So study well and do the best you can but at the same time do take breaks, meet friends, sleep, and rest well. It is also important to have a healthy diet and avoid junk and fatty food. Drink enough water and eat your greens!

All the best,
Samantha Vance
