Binge Free - Triumph Over Binge Eating Robert Dave Johnston, 2013-07-19 In Binge Free I present the story of my descent to the depths of hell with binge eating disorder my journey back to humanity and the various mental techniques and lifestyle changes that helped me to overcome 25 years of isolation depression and binging insanity While this killer sickness caused me to lose my humanity dignity and hope for life I managed to escape and through hard work and determination have found restoration peace and happiness If there be any reason for me to still live I hope that it s to reach out to others who suffer and share with them the tools that helped me to recover and have kept me binge free for ten years My message is that you too can attain this freedom Binge eating is a sickness that lives in the mind and uses our own thoughts feelings and memories to entice and trap us Therefore to achieve long term recovery it is imperative to have a suitable arsenal of mental strategies to counterattack expose the lies and say NO to binging Together with a series of lifestyle changes that I suggest this book gives you the goods straight from the experience of a food addict that survived the assault of binge eating disorder I hold nothing back and give you practical tips and tools that you can put to use right away so that you can learn to vanquish the binge eating monster once and for all

How to Lose Weight (and Keep It Off) by Reprogramming the Subconscious Mind Robert Dave Johnston, 2013-08-12 This is Volume 2 of the series How To Lose Weight and Keep it Off by Transforming the Mind and Behaviors Here s the bottom line I was stuck in obesity and binge eating for more than 20 years during which time I trained myself to believe and act upon all sorts of destructive and negative nonsense And the negativity fueled more overeating which in turn caused more failure and negativity I was constantly sabotaging my weight loss efforts often without realizing it because pain and unhappiness had tragically become second nature If I wanted to be free of this poisonous mental chatter I would have to work at identifying and overwriting the conscious and subconscious patterns that fed the insanity and kept me obese and unhappy I had to create a new mental program that supported and facilitated my goals rather than destroy them That is what this book is all about And none of this is breaking news We ve all have heard of positive thinking affirmations and visualizations Here I take those powerful mental tools and apply them directly to weight loss food and eating If you have tried to lose weight and fallen short then implementing the simple but powerful program I outline here will help you to make measurable progress If you are willing to walk with me and do some work then this book can become a very powerful ally in your journey towards permanent weight loss For weight loss support feel free to visit our community forum at www.fitnesssthroughfasting.com

take your whole life in His hands heal you restore you rejuvenate you and fill you with fresh hope and optimism I don't tell you these things because I saw a movie I share with you because I myself was in the dark corner of isolation hopelessness deep grief despair I felt as though I had a knife stuck to my chest all day every day from the moment I got up I'll talk much more about that on my upcoming book on depression Needless to say while at times it may look bleak there IS hope for inner healing and restoration so that you can once again feel the peace and joy that is rightfully yours If there are wounds in your heart that you've carried for years the kind of wounds that inflict ongoing emotional pain I am here to tell you that I love you I understand you and I am right here with you Even better over the years of fasting and spiritual growth me and my mentor John Benitez may he rest in peace put together a very powerful program of recovery for those of us who hurt I'm not going to bombard you with a lot of religion I will speak to you in spiritual terms that you will understand without feeling like you are being preached at I hate that Fasting is a powerful way to lose lots of weight quickly and help the body heal and detoxify In addition fasting opens the doors to the invisible world of the soul and subconscious mind which when harnessed correctly can help you to experience deep emotional healing as well as spiritual revelation and understanding In *Lose The Emotional Baggage Transform Your Mind Spirit With Fasting* I take you step by step through the Ultimate Freedom Formula which helped me to find healing from more than 20 years of crippling depression and binge eating disorder If you struggle with recurring negative emotions and destructive behaviors and or addictions then this book gives you a practical and effective formula that will allow you to tap into the huge invisible power that fasting always provides The material is presented in a straightforward non religious format so you will be able to carry out the formula even if you have no spiritual beliefs and are an agnostic If you can maintain an open mind and become willing to simply observe the possibility that maybe there is something to this fasting practice then that is more than enough to crack the door open just enough receive tremendous transcendental benefit Welcome to a place where the impossible becomes possible May you receive your healing and may your life be filled with power joy and a peace beyond understanding
