Triggering and Increasing Palliative Care Consults in the Emergency Department By Dr Caroline Tigere Dr Caroline Tigere s
book discusses increasing palliative care consultation in the Emergency Room by educating healthcare providers to
identifying patients who are eligible for early palliative care encounters Dr Tigere a palliative care Nurse Practitioner has
worked tirelessly to increase palliative care consults from the Emergency Room before this project The number of
consultations originating from the Emergency Room increased after an evidenced based tool was used to assist the
Emergency Room providers in identifying appropriate patients Several palliative care providers have tried to move palliative
care upstream to the Emergency Room without success because there is still belief that every patient who comes to the
Emergency Room should receive aggressive care **Annual Report of the California Hospital Outcomes Project ,1993**
