This comprehensive resource explores the overarching question of governance within nonprofit organizations and addresses the roles, structures, and practices of an effective nonprofit. The Handbook of Nonprofit Governance covers the topics that are of most importance to those charged with creating and sustaining effective leadership, including building a board, succession planning, policies, financial oversight, fundraising, planning, strategic planning, processes, risk management, and evaluation of the board, CEO, and organization. Praise for The Handbook of Nonprofit Governance: This is the first book I've found that covers the topic of governance from A to Z.
