Riding To Sundown:

Come Sundown Mike Blakely, 2007-11-27 Reluctant hero Honore Greenwood has a knack for embroiling himself in the most violent conflicts of the Southern Plains Known as Plenty Man to the Comanches Honore serves as ransom negotiator for captives among the Indians As if his life wasn't in danger enough Honore has offered his services to the New Mexico Volunteers in the Civil War But as Honore's luck would have it he's in the same unit as Luther Sheffield a man whose grudge against Greenwood knows no boundaries even though they are fighting on the same side Leaving behind his beautiful Arapaho bride Honore rides out joining his legendary friend Kit Carson as a scout But he is swept into more action than he bargained for heavy combat in the battles of Val Verde Ford and Glorieta Pass plus Indian attacks all the while watching over his shoulder for the ruthless Luther Sheffield Worried that he may soon be ordered to take up arms against his own adoptive tribe the Comanches Honore resigns as Kit's scout to return to his tribe But Honore's halcyon days among the Indians cannot last forever and he knows that eventually his old cavalry unit will come to attack his village Torn between a nation on the rise and his own adoptive culture Plenty Man is forced to lead the fight for Comanche freedom against his old friend the great Kit Carson in a battle at a remote place in the Texas Panhandle called Adobe Walls But in the end it becomes difficult to tell enemy from ally and Plenty Man knows his loyalty to the Indians may cost him everything his beautiful wife his freedom to return to white civilization his friendship with Kit and even his very life At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

With influential figures like Martin Scorsese and Clint Eastwood acknowledging Boetticher's influence and with growing academic interest in his work Gary D Rhodes and Robert Singer present a vital collection of essays on the director's long career from a range of international scholars. Looking at celebrated films like *Buchanan Rides Alone* 1958 and *Comanche Station* 1960 as well as at lesser known works like *Escape in the Fog* 1945 and *Behind Locked Doors* 1948 this book also addresses Boetticher's influential television work on the James Garner series *Maverick* and Boetticher's continuing aesthetic influence on contemporary TV classics like *Breaking Bad*. Legends of Our Times Morgan Baillargeon, Leslie Tepper, 2011-11-01 Throughout the world the cowboy is an instantly recognized symbol of the North American West. *Legends of Our Times* breaks the stereotype of cowboys and Indians to show an almost unknown side of the West. It tells the story of some of the first cowboys Native peoples of the northern Plains and Plateau. Through stories poetry art and reminiscences in this lavishly illustrated work Native people invite the reader on a fascinating journey into the world of ranching and rodeo. The book also presents the special relationship between Native people and animals such as the horse buffalo deer and dog which have always played an important role in Native spiritual and economic life. By the mid nineteenth century Native people were highly valued for their skills in horse breeding and herding and could take advantage of new economic opportunities in the emerging ranching industry. Faced with limited resources competition for land and control by governments and Indian agents many Native people still managed to develop their own herds or to find work as cowboys. As the ways of the Old West changed new forms of entertainment and sport evolved. Impresarios such as Buffalo Bill Cody invented the Wild West show employing Native actors and stunt performers to dramatize scenes from the history of the West and to demonstrate the friendly competitions that cowboys enjoyed at the end of a long round up or cattle drive. The popularity of rodeos also grew within Native communities and arenas were built on many reserves. Native rodeos are still held while many Native competitors ride in professional rodeos as well. Today Plains and Plateau peoples proudly continue a long tradition of
