The Saint of Rusted Nails: A Dark Fantasy Romance of Cursed Love, Gothic Healing, and a Skeptic Gravedigger Alexius M., A miracle in this town is hammered into place By day she answers doorways with a pocketful of iron nails etched with prayers charms smudged with ash a ritual cadence older than the church bell By night she listens to the houses hum wood and hinge and heartwood learning which rooms attract sorrow and which thresholds drink fear Her work isn't gentle but it keeps the dark where it belongs outside He is the gravedigger callused hands steady breath the kind of man who knows how to carry what other people drop He doesn't believe in saints or spells He believes in weight in soil in the honest mathematics of endings Until the night a rusted nail appears on his windowsill like an omen and something inside his chest knocks back When they meet skepticism and ritual strike sparks The town tightens around them laundries gossip candles gutter and doorframes thrum at midnight like plucked strings Cures that once held begin to slip The saint discovers a terrible pattern in her ledgers every successful binding feeds a single prisoner she never meant to keep a demon threaded through the man she is learning to love To free him she must unspool her craft nail by nail miracle by miracle To save the town she must become the thing she feared a woman who breaks her own rules Expect Dark fantasy romance with a true gothic heartbeat misty lanes cemetery hills windows that watch A compassionate fallible heroine whose faith is forged on an anvil not an altar A tender resilient hero with dirt under his nails and valor in his quiet choices Demon folklore woven with tactile ritual iron salt breath naming Slow burn high tension intimacy that chooses love over spectacle A twist that reframes every cure and every kiss Perfect for readers of gothic romance paranormal love stories supernatural thrillers and atmospheric dark fantasies where the town is a character and the ending costs something real This story asks what healing is worth who gets to decide and how far love will go when the door between hunger and hope finally opens *The Shifter Romance Novella Collection (BBW Bear Shifter Romance Series Box Set)* Becca Fanning, **Secret Baby Bears Ultimate Box Set (BBW Bear Shifter Romance Novella Series)** Becca Fanning, 2017-12-17 These Bear Shifters might not have a lot of money but they're rich in what counts The Secret Baby Bears Ultimate Box Set is here Contains the following stories Alec Talia normally enjoyed her mornings teaching her class The little boys and girls looked up at her their big eyes rapt with attention as she taught them their daily lessons But today was different She felt it in her bones but she had no idea her life was about to change forever Alec knew he shouldn't do this He should've called but this wasn't something you could talk about over the phone Hi I'm actually the father of your small child who might be a Bear Shifter like me Sometimes you just had to be bold even if that meant crossing the line into dangerous Rock Gemma had been to her fair share of parties but this one was a bit different It wasn't that long ago that she was a wild party girl hitting up frats and luring studs into her web of drama and seduction But those days were behind her Today's party was for her young son Arthur As a rambunctious two-year-old she hoped that he would have fun and remember it Her back yard started filling with guests including a tall broad

shouldered man whose eyes she found entrancing Rock wasn't sure how this was supposed to go He was a complete stranger showing up at this lady's house and needing to have a very intimate conversation with her He thought about turning around getting back into his car and driving away But then he heard a little laugh coming from the back yard He knew instantly that it was his cub and nothing was going to stop him from being the best father he could be Jackson Olivia Hendricks put on her best face as she looked in the mirror Her best friend's wedding was finally here and she was happy to stand for her friend But there was no denying that her body had seen better days Her toddler tugged at his adorable little tux like a wild animal as they scooted out the door Could today just be over Jackson saw her from across the dance floor and she took his breath away He watched her sway back and forth to the music her son on her hip Every nerve in his body screamed that that was his cub He couldn't believe that the little was actually real actually there in front of him Taking a deep breath he made his way to the two most important people in his life Clay Chloe was exhausted Moving from New York City to Ithaca NY had been a real strain on this city girl Her darling son Noah had been a handful as usual but lately he'd been behaving strangely around the other kids his age A nice trip to the zoo would let him get out some of that energy and hopefully let Chloe relax a little bit But whatever the day had in store for her relaxation would play no part in it Clay knew this was the wrong way to do it Trying to naturally meet someone you've been tracking down is never going to work but what choice did he have She was raising his cub and that meant the normal playbook was going right out the window As soon as he laid eyes on her he had a feeling that the wrong way was going to suit him just fine Rust Rust was a man in pieces He never had much going for him truth be told His broad shoulders and the golden shine in his Bear Shifter eyes meant he had few enemies but that didn't matter now Haunted and tormented by a terrible event he decided he'd had enough drowning in pity and sorrow He would meet his fate no matter the consequences And if he could make someone's life a little better in the process so be it
