How to Start a Student Mentor Program Susan G. Weinberger, 1992 This booklet discusses mentoring in general describes a particular mentoring program and describes mentoring efforts around the country The first section about mentoring in general focuses on mentoring as an old idea and current trends in mentoring The next section describes the Norwalk Mentor Program in Connecticut which began in 1986 as an outgrowth of a well established adopt a school program The six step process used to begin and maintain this program and to evaluate the success of the relationship between mentors and students is presented These steps involve 1 recruitment and screening 2 orientation and training 3 matching mentors and students and responsibilities 4 weekly sessions 5 evaluation and 6 year end celebrations and renewal The buddy system transfers and moves summer activities family involvement and new directions for Norwalk's mentor program are also described The third section presents an overview of mentoring efforts around the country Also included are a resource list sample recruitment letter sample mentor profile mentor pledge sample mentor agreement sample teacher request for a mentor sample parent permission letter sample mentor evaluation form and references ABL [Mentoring Programs That Work](#) Jenn Labin, 2017-02-15 Amazing Benefits Unique Risks A stellar mentor can change the trajectory of a career And an enduring mentoring program can become an organization's most powerful talent development tool But fixing a broken mentoring program or developing a new program from scratch requires a unique process not a standard training methodology Over the course of her career seasoned program development specialist Jenn Labin has encountered dozens of mentoring programs unable to stand the test of their organizations natural talent cycles These programs applied a training methodology to a nontraining solution and were ineffective at best and poorly designed at worst What's needed is a solid planning framework developed from hands on experimentation And you'll find it here [Mentoring Programs That Work](#) is framed around Labin's AXLES model the first framework devoted to the unique challenges of a sustained learning process This step by step approach will help you navigate the early phases of mentoring program alignment all the way through program launch and measurement Whether your goal is to recruit and retain Millennials or deepen organizational commitment it's time to embrace mentoring as one of the most powerful tools of talent development [Mentoring Programs That Work](#) will help your organization succeed by building mentoring programs that connect people and inspire learning transfer *Designing Workplace Mentoring Programs* Tammy D. Allen, Lisa M. Finkelstein, Mark L. Poteet, 2011-09-13 This book presents an evidence based best practice approach to the design development and operation of formal mentoring programs within organizations It includes practical tools and resources that organizations can use such as training exercises sample employee development plans and mentoring contracts Case studies from organizations with successful mentoring programs illustrate various principles e.g. how the mentoring program is aligned with other organizational systems and suggest best practice contemporary strategies **Handbook of Youth Mentoring** David L. DuBois, Michael J.

Karcher,2013-04-30 This thoroughly updated Second Edition of the Handbook of Youth Mentoring presents the only comprehensive synthesis of current theory research and practice in the field of youth mentoring Editors David L DuBois and Michael J Karcher gather leading experts in the field to offer critical and informative analyses of the full spectrum of topics that are essential to advancing our understanding of the principles for effective mentoring of young people This volume includes twenty new chapter topics and eighteen completely revised chapters based on the latest research on these topics Each chapter has been reviewed by leading practitioners making this handbook the strongest bridge between research and practice available in the field of youth mentoring Developing Effective Student Peer Mentoring Programs Peter J. Collier,2023-07-03 At a time when college completion is a major issue and there is particular concern about the retention of underserved student populations peer mentoring programs offer one solution to promoting student success This is a comprehensive resource for creating refining and sustaining effective student peer mentoring programs While providing a blueprint for successfully designing programs for a wide range of audiences from freshmen to doctoral students it also offers specific guidance on developing programs targeting three large groups of under served students first generation students international students and student veterans This guidebook is divided into two main sections The opening section begins by reviewing the issue of degree non completion as well as college adjustment challenges that all students and those in each of the targeted groups face Subsequent chapters in section one explore models of traditional and non traditional student transition persistence and belonging address what peer mentoring can realistically achieve and present a rubric for categorizing college student peer mentoring programs The final chapter in section one provides a detailed framework for assessing students adjustment issues to determine which ones peer mentoring programs can appropriately address Section two of the guidebook shifts from the theoretical to the practical by covering the nuts and bolts of developing a college student peer mentoring program The initial chapter in section two covers a range of design issues including establishing a program timeline developing a budget securing funding getting commitments from stakeholders hiring staff recruiting mentors and mentees and developing policies and procedures Subsequent chapters analyze the strengths and limitations of different program delivery options from paired and group face to face mentoring to their e mentoring equivalents offer guidance on the creation of program content and resources for mentors and mentees and provide mentor training exercises and curricular guidelines Section two concludes by outlining processes for evaluating programs including setting goals collecting appropriate data and methods of analysis and by offering advice on sustaining and institutionalizing programs Each chapter opens with a case study illustrating its principal points This book is primarily intended as a resource for student affairs professionals and program coordinators who are developing new peer mentoring programs or considering refining existing ones It may also serve as a text in courses designed to train future peer mentors and leaders A Handbook for Managing Mentoring Programs Laura Gail Lunsford,2016-08-11 Despite the interest and pervasiveness of mentoring there

has been little attention devoted to professionalizing mentoring for program managers in learning organizations especially post secondary institutions and there are scant resources available for mentoring coordinators This book fills that gap Drawing on research on mentoring and coaching in psychology education and organizations this guide translates research into practice by helping program administrators learn more about the behaviors of mentoring stages of mentoring relationships elements of high quality relationships and recognizing and avoiding dysfunctional ones The book includes diagnostic surveys and case studies that coordinators might use in their programs and makes an important contribution to the literature on mentoring providing a practical up to date resource for those working in the field on how to set up run and evaluate their mentoring programs *Undergraduate Curricular Peer Mentoring Programs* Tania Smith,2013 Curricular peer mentoring is a programmatic approach to enrich student learning and engagement in postsecondary courses in which instructors welcome a more experienced undergraduate student into a credit course they are teaching The student then serves as peer mentor to the students enrolled Peer mentors can provide a variety of peer appropriate course specific mentoring tutoring facilitation and leadership roles and activities that complement the roles of the course s instructor and teaching assistants both in classroom settings and beyond A program provides training and ongoing support for a larger number of peer mentors and instructional teams and manages recruitment and program research and quality This volume provides research findings definitions theories and practical program descriptions as a foundation for program development and research of undergraduate curricular peer mentoring programs in higher education This work builds on a long history of higher education program development and collects a significant amount of literature that has previously been scattered

Mentoring in the Criminal Justice Professions Frank A. Colaprete,2009 The tradition of moving from one job to another in the criminal justice profession with the belief that on departure a new person will be brought in to assume the duties of his or her predecessor is archaic and ineffective It is rare to replace someone and have the benefit of his or her counsel and experience in learning the nuances of the job and its responsibilities Mentoring provides a framework whether informal or formal to interact support transfer knowledge and guide the prot g to the desired goal This book provides a blueprint of mentoring theory and practice testing evaluati

The Blackwell Handbook of Mentoring Tammy D. Allen,Lillian T. Eby,2011-08-24 Cutting across the fields of psychology

management education counseling social work and sociology The Blackwell Handbook of Mentoring reveals an innovative multi disciplinary approach to the practice and theory of mentoring Provides a complete multi disciplinary look at the practice and theory of mentoring and demonstrates its advantages Brings together for the first time expert researchers from the three primary areas of mentoring workplace academy and community Leading scholars provide critical analysis on important literature concerning theoretical approaches and methodological issues in the field Final section presents an integrated perspective on mentoring relationships and projects a future agenda for the field Handbook of Adolescent Psychology, Volume 2 Richard M. Lerner, Laurence Steinberg, 2009-04-06 The study of and interest in adolescence in the field of psychology and related fields continues to grow necessitating an expanded revision of this seminal work This multidisciplinary handbook edited by the premier scholars in the field Richard Lerner and Laurence Steinberg and with contributions from the leading researchers reflects the latest empirical work and growth in the field **The Mentor's Guide** Laura Gail Lunsford, 2021-11-29 A definitive resource that pulls together evidence from psychology education and organizational studies this fully updated second edition translates research into practice and serves as a practical handbook on how to set up run and evaluate any mentoring program Despite ever growing interest there are few helpful resources for program managers and mentoring coordinators This book sheds needed light on mentoring behaviors the stages of mentoring elements of high quality relationships and how to recognize and avoid dysfunctional ones Step by step guidance will enable readers to Understand what mentoring is and is not Assess their mentoring program using a clear framework Work through steps to design or redesign an effective mentoring program Draw on real world examples to assess and improve programs Benefit from all new material for this second edition including a chapter on e mentoring and in depth case studies as well as updated information on culturally intelligent mentoring and more If you manage or support a mentoring program then this handbook is for you Human resource professionals across industries will gain ideas on how to improve the efficiency and effectiveness of mentoring while administrators in higher education will value the content on formal mentorship programs for faculty members graduate students and undergraduates *A Guide for Developing a Culture of Caring Through Nursing Peer Mentorship Programs* Deborah Kramer, 2024-08-19 This book describes in detail how to develop successful programs of nursing mentorship utilizing concepts of caring that yields a strong caring body of nurses who will be nurse thrivers as they find fulfilment and meaning in their professional commitment and will train others to do the same The mentorship program is the ticket to success that many students need to complete their degree program prevent burnout pass the nursing NCLEX examination and remain in the workforce after graduation The current attrition rate in baccalaureate nursing programs is 25 50% as is the attrition rate in the first 2 years of employment of new RN s entering the workforce Burnout is due to a lack of care and support for helping the students navigate the rigor and demands of the nursing program Creating a community of learners with caring and support creates an environment that fosters

academic engagement and success The unique aspect of this book is its focus on creating a caring environment to support the students helping them develop caring skills empathy resilience and their own self care developing the skills for success beyond their educational process into the workforce This book integrates all patterns of knowing personal aesthetic empiric and ethical and provides the missing link of peer mentorship necessary to the development of resilient emancipated nursing students and graduates capable of working in community with others to establish cultures of care in health care This is a must have resource for transformation of nursing education in the next century Foreword by Dr Margaret McClure
