Dear **Mr. Anderson**,

I am writing this letter to express my deep dissatisfaction and disappointment regarding the recent car purchase from your dealership. Despite my excitement and trust in your team, I have encountered several serious issues with the vehicle which require immediate attention and resolution.

First and foremost, the car I purchased from your dealership has been experiencing persistent engine problems. On multiple occasions, it has stalled abruptly, putting my safety at risk. Additionally, there have been frequent instances of the engine overheating, causing significant damage to the internal components. These issues indicate a clear lack of quality control and proper assessment of the vehicle's condition before its sale.

Furthermore, the promised warranty coverage has proven to be ultimately unreliable. The warranty explicitly stated that it covers all major repairs for a period of three years. However, when I reached out to your service department for assistance, I was met with resistance and was told that the repairs I needed were not covered under the warranty
